Generous donation will give ongoing community support

By Katelyn Boulanger

The Selkirk and District Community Foundation has a long history of generosity. They fund many projects in our community both big and small. Last week they got a big boost which will continue to help them do this good work. The Thomas Sill Foundation has given them a \$1.3 million gift which is great news for our entire community.

The SDCF announced their receipt of this donation at the Gaynor Family Regional Library on Jan 26.

Brandon Sutherland, one of the di-

rectors on the SDCF board opened the event.

"We're extremely fortunate to have some incredible news to share. This is going to increase the value of the foundation in Selkirk, St. Andrews and St. Clements," he said.

The Thomas Sill Foundation ceased operations in Dec of 2023 and has created endowment funds with several Manitoba community foundations including SDCF to continue its name-sake's wishes.

The SDCF is a charitable organization that is built on endowments such

as these. These endowments ensure that donations provide continuous

support for the communities of Selkirk, St. Andrews and St. Clement because the original fund stays intact and the interest is dispersed. This has allowed donations to go to many local organizations and groups

Barbara Knoll, treasurer of the SDCF, explained how without the Thomas Sill Foundation's generosity the SDCF may not have come to be.

"Thomas Sill lived in Winnipeg. He was a shrewd investor, and a great philanthropist. When he died in 1986, his will simply stated that he intended to create a charitable entity. His colleagues did not really expect the estate to be very large because he had given so much money away during his lifetime. It was [in fact in] excess of 30 million. His accounting firm, Sill Streuber Fisk, had offices in Winnipeg, Brandon, Selkirk, Morden, Winkler, and Altona and the first board members of the Thomas Sill Foundation were drawn from the accounting community," she said.

The Thomas Sill Foundation issued a challenge to communities in Manitoba in the form of a challenge grant program. Selkirk was one of the communities to take up the challenge and the beginnings of the SDCF were sparked.

The Thomas Sill Foundation provided \$2,500 for start-up costs for the Foundation and by 1999, the SDCF had received its \$100,000 grant from the Thomas Sill Foundation.

The Thomas Sill Foundation was not the only do-

nor back then, however, they did start a trend of generosity that has been taken up by many in our community.

Founding SDCF Board Member Bill Findlater and former Board Member and Treasurer Bill Bodman were also acknowledged at this event for their work working with the Thomas Sill Foundation in the early days of the SDCF.

Beverley Clegg, executive director of the SDCF then made the official announcement.

"Today's Chairperson Shauna Curtin, along with the entire SDCF team are thrilled, over the moon, to announce the establishment of the Thomas Sill Fund which is being created with a \$1.3 million donation," she said.

Clegg explained that this fund is an undesignated, named community fund. This means that future grants will assist in funding for the community's greatest needs.

Knoll and Clegg both thanked those who've worked hard over the years to make the SDCF what it is today.

"On behalf of the current board of directors, I would like to extend a sincere thank you to the founding members of the Foundation, to all who have volunteered their time and expertise over the past 20 years and to the Thomas Sill Foundation for providing the incentive and financial resources to create and support the Selkirk and District Community Foundation. If there had been no Thomas Sill Foundation, would there be a Selkirk and District Community Foundation today?" said Knoll.

Gaynor Family Regional Library celebrating I Love to Read Month

Authors, PJ nights, fine forgiveness, sweet treats and more

By Katelyn Boulanger

The Gaynor Family Regional Library isn't just a place to find a good book but a meeting place in our community. They have programming and resources to help people learn and grow regardless of their age or interests. With February rolling into the region today, and with it, I Love to Read Month, they are bringing some great programs, guest readers and fun for residents to enjoy.

"[I Love to Read month is] just the time of the year where we refocus, and bring it back to literacy and encourage people to take out that really good book that excites us and takes us on a journey," said Katherine Anderson, Information Technology and Public Services Coordinator, for the Gaynor Family Regional Library.

In addition to their regular catalogue of community activities, Anderson wants residents to know that there are many things going on at the library this month including:

- Stay and Play for children under five has expanded to two days. This is a time for parents/guardians and their children to find community with others. Sessions go from 9:30 a.m. to 1 p.m. on Thursdays and 1:45 to 3 p.m. on Sundays
- The Book Sale that Never Ends continues. Bring in your reusable bag, your largest one is ideal and fill it to the top with great book sale items

for just \$5 or buy a single book for only 50 cents.

- The Gerda History Wall is available for viewing and residents are invited to play I Spy. Can you find all the items?
- Meagan Balgobin author of *The Talking Ducks* will be at the library on Feb. 20. Residents can show up for the 10:45 a.m. or 1:45 p.m. reading of this children's book by a local wordsmith.
- The City of Selkirk in partnership with United for Literacy and the Selkirk District Community Foundation are delivering free children's programming. Guest readers and a free book for your little one await. This

activity is for kids ages 5-9 and parents/guardians must attend. To attend you need to register at on the City of Selkirk's website.

1. Lorie Fiddler will start the fun on Feb. 6 at 6:30 p.m. with *A Promise is a Promise* by Robert Munsch and Michael Arvaarluk.
2. On February 15 at 6:30 p.m. *I Can Be Anything (What Could You Be?)* by local author Susan Berry takes centre stage.
3. Stop by on Feb. 20 at 6:30 p.m. and a guest reader from the Selkirk Steelers will be taking on *Just One Goal!* by Robert Munsch.
4. Finally *Fry Bread* by Kevin Noble Maillard will be read by Knowledge Keeper Jeanie White Bird on February 29 at 6:30 p.m.

There are also some great incentives to get out and enjoy the local library in person. If you're caught reading at the library this month you could get a free Brew + Bake dessert coupon. If you are at the library on a Saturday you can enjoy a free hot chocolate or coffee from Brew + Bake (one per person). If you bring a friend to the library and encourage them to get a membership, which is free if you

live in Selkirk, RM Andrews, Clements or the Village of Dunnottar, you will get to enjoy a cookie from Brew + Bake.

"Our main focus is bringing in that friend or that person who's always wanted to get a library card. Let's get [everyone] a membership and get it done this year," said Anderson.

Finally, perhaps you've incurred some library fines over the years and that's made you a bit nervous to come back. Maybe you've even managed to lose a book and haven't been able to return it. The staff at the library understand that this happens and want to give past patrons a chance to reset this month. For fines incurred in 2023, residents only have to bring back their books and the slate will be wiped clean this month. Got fines, lost or damaged items from before 2023? Come in and update your account and those fees will no longer apply.

"If you have fines, or maybe lost a book sometime in your past, this is an opportunity to clear that up. We understand life gets in the way," said Anderson.

Anderson says that the library is open to everyone even if reading isn't their preferred hobby.

"It's a free opportunity to get the

materials that are of interest to you. If you're not into reading, that's okay. But we are still a public space that you can come in with your smart devices and get onto the Wi-Fi," she said.

Her favourite part of the library is seeing people enjoy the space.

"The students that set up on the tables to study for that exam. Coffee folks that come in to chat in the café.

The parents or the caregivers chatting in the children's area, while their children explore some of the books or play on one of the early literacy computers. I like seeing folks interact with our space, and just be content and en-

joy it," she said.

Everyone is welcome to check out the library and learn more.

"Just come in and do a walk about, find your space, find that item that you're looking for. We have suggestions as well so if you're not too sure what you're feeling like that day, we can certainly help you," said Anderson.

For a full understanding of all the programs at the library, check out their website and newsletter as well as their calendar of activities online at <https://gfrl.org/>.

9 ways to pay off your credit cards faster

Credit card debt can trap you in a cycle of financial stress as high interest rates compound your balance, making repayment challenging. Paying it off demands financial discipline and smart planning. Here are 9 ways to tackle credit card debt.

1. **Create a budget.** Establish a comprehensive budget that maps out your income, expenses and debt obligations. This transparency helps you identify areas where you can trim unnecessary spending, freeing up more funds for debt repayment.
2. **Use the debt snowball method.** This method involves paying off your debts with the smallest balances first, regardless of the interest rates. This can help you build momentum and motivation as you see your debts disappear one by one.
3. **Use the debt avalanche method.** This method involves paying off your debts with the highest interest rates first, regardless of the balance size.

This can save you money in the long run, as you'll pay less interest overall.

4. **Consolidate your debt or transfer your balance.** Consider debt consolidation, whereby you secure a bank loan at a lower interest than your credit cards and pay off all your cards at once. Alternatively, get a credit card with a temporary zero per cent or low introductory rate and transfer your balances to that card, allowing you to make significant headway during the interest-free period.
5. **Increase your payments.** Whenever feasible, contribute more than the minimum required amount. Even a small extra payment can significantly reduce the interest that accumulates over time.
6. **Negotiate lower interest rates.** Negotiate lower interest rates with your credit card companies. A history of punctual payments and a good credit score can strengthen your position in these discussions.
7. **Avoid new charges.** Temporarily stop using your credit cards until your existing debt is under control. Adding to your outstanding balance will only make matters worse.
8. **Supplement your income.** Explore ways to increase your income, such as taking up a part-time job, freelancing or selling items you no longer need. Dedicate the extra funds to debt repayment.
9. **Get professional help.** Working with a debt professional, like a financial advisor or credit counselor can help you develop a debt reduction strategy that works best for you. They may even be able to reach out to your creditors to negotiate a better deal for you.

Look for a financial advisor or credit counselling service in your community to prevent your credit card debt from getting out of hand.

First baby of the year celebrated at Selkirk Regional Health Centre

Submitted by IERHA

The first baby of 2024 has arrived in Interlake-Eastern Regional Health Authority.

Safia Sharif and her husband Talal Tasse of East St. Paul welcomed their daughter, Reham, at 11:14 p.m. New Year's day at Selkirk Regional Health Centre.

Weighing seven pounds and 15 ounces, she is the Tasse family's third child. Excited to meet their baby sister were brother Zyad, 10, and sister Reem, 9.

The Tasses said their experience in the obstetric unit was unsurpassed.

"The staff were very helpful. It was quiet and this has been the most comfortable room for us," Sharif said.

Tasse noted the attentiveness of staff.

"Whenever she was uncomfortable, there was always someone there to take care of her," Tasse said.

Chair of the Selkirk Hospital Gift Shop volunteers, Betty Milkowski, maintained a tradition by gifting Re-

ham's family a hand knit outfit and blanket, diapers, a hamper, playpen and other items to celebrate the first baby to arrive at the health centre. She said the volunteers make the New Year's baby gift tradition possible.

"The most important thing is all the work that the volunteers do to help us. They make it possible for us to donate and help. This has been going on since the first hospital was built in Selkirk and the original ladies auxiliary was founded. We extend our best wishes to the family," Milkowski said.

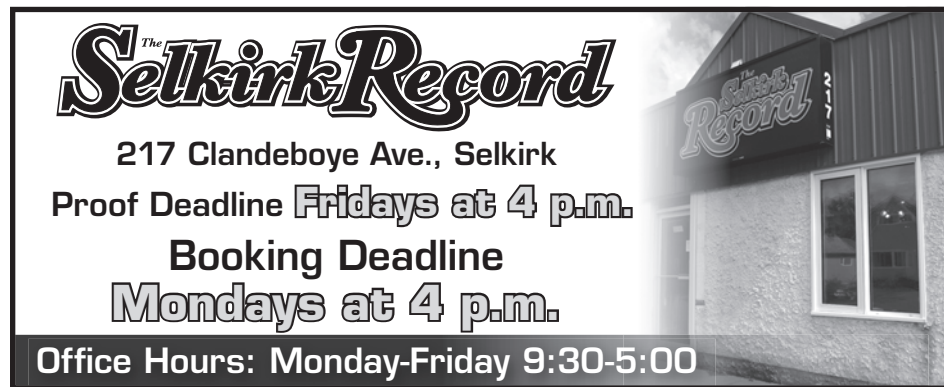

Dr. Jennifer Preun attended the delivery. In 2023, 444 babies were born at Selkirk Regional Health Centre. That's an increase over the 397 babies born in 2022.

Anyone interested in delivering with Selkirk's obstetrics unit is invited to call 204-482-5800 for more information and to arrange a tour of the facility.

Ice Fishing Village in Lockport now officially open

Many activities for non-anglers who also want to enjoy time on the river

By Katelyn Boulanger

Red River Cats and the members of the Lockport Community Development Group are able to welcome anglers and winter enthusiasts down to the river in Lockport again with the official opening of the Lockport Ice Fishing Village taking place last week.

"The ice fishing village is just that. It's a village that we make up and we make roadways on the Red River in Lockport. We clear them to give easy access for people to come down and take advantage of all the amenities that we put up down there," said Colin Stone, co-owner of Red River Cats and board member for the Lockport Community Development Group.

The Ice Fishing Village is an annual event in the community. Roads are created and cleared of snow on the ice so that residents can drive down with their vehicles.

"You don't need four-wheel drive vehicles or anything like that. You can bring your pop-up tents and icefish or you can bring your permanent shack and set them up in one of our cleared bays. [There are also incentives to come by and fish.] What we do is install street signs all the way along our main road along the river. Each one of those streets is a sponsor, so, for instance, A&W is a sponsor and they decided to name their road, Root Beer Road. When you catch a fish, and you take a picture under Root Beer Road, you get entered in to win a whole bunch of prizes that we have. It really is just something fun that we do here in Lockport and offered totally free of charge to the community," said Stone.

The idea for the village came about on one very snowy year a few seasons ago.

"This was just an opportunity to say 'Hey, why don't we do this.' We can help promote all the amazing things and the great fishing here in Lockport and do it safely," said Stone.

The safety portion of this event is a high priority for organizers. As of last week, Stone says that ice thickness was measured at 16 to 18 inches. This means that it's safe for residents to drive onto with their vehicles. The ice thickness measurements are taken

several times a week and well before the ice gets too thin to drive on the ice fishing village is closed for the season. This is why the village is opened a little later this year than last because this year we have had a more mild winter and the ice took longer to freeze up.

This year with the understanding that people might want to try something on the ice other than fishing, the Ice Fishing Village has expanded its offerings.

"We're going to have a Crokicurl, which is like a crokinole game played with curling rocks. We have a skating rink. We have an ice-pickleball rink for people who want to put on a pair of skates and play ice-pickleball right on the ice. We have walking trails. There are snowmobile trails here. It really is going to be a neat village this year," said Stone.

The Ice Fishing Village is on the Red River going through Lockport. Because of this, people have to get on to the ice safely. The two access points onto the ice are now ready for visitors.

"One is through Red River Cats at 669 River Road. We have our boat launch that takes you right onto the ice. We actually make a roadway all the way down. It really is the best roadway and has the easiest access to get on the ice. But if you go up straight up Henderson Highway heading north, there's a little floodway road there that continues on and you can also access the ice through that way on the east side as well," said Stone.

He also reminds people that though the village is free and open to the community they should be prepared to bring their own ice fishing equipment which includes augers, fishing equipment and shacks/seating if you wish to have them.

Red River Cats does rent and sell equipment should your favourite lure be lost to a dastardly fish.

Stone says that so far this year the fishing in the area has been very promising.

"It's been pretty good. A lot of sauger, some burbot and some pickerel of course, are common fish that we catch here on the Red. Although you can

RECORD FILE PHOTO BY
KATELYN BOULANGER

Last year's Ice Fishing Village.

certainly catch the odd sturgeon and there's bass, of course, and goldeye that we also catch here and northern pike," he said.

He also wants potential new anglers to know that this is a friendly and welcoming space for them to come and see if fishing is for them.

"You can get into the sport really cost-effectively. A fishing rod and reel might cost you 25 bucks, and it doesn't cost you a whole lot of money to get into this sport. It really is accessible to the vast majority of people," he said.

Residents should also know that this is a free place to come and enjoy some time fishing and being outside, however, since there was a call from the community to be able to support this event there has been a Gofundme page set up should residents want to donate. The page is at <https://www.gofundme.com/f/lockport-ice-fishing-village-entertainment-live>.

Stone thanks all of the sponsors and donors who have made this event possible this year.

The Bloodshots play the famous Whisky a Go Go

By Staff

Though The Bloodshots are certainly more well-known than Whisky a Go Go in our neck of the woods, playing at the famous club is a sign that your group is one to watch. Local band The Bloodshots did just that last week lighting up the stage with their grunge punk and roll sound.

"This show came about from some connections that [my fellow band member] Keith [Skazyk] and I made last year while in New York for the Native American Music Awards. This show was a part of celebrating NAMM (National Association of Music Merchants) which is in Anaheim, California this weekend," said CJ Loane member of The Bloodshots.

Their single 'No Way Out' took home the Best Rock Video Award at that Native American Music Awards. The members of the band filmed this award-winning song/video in 2020 making this accomplishment even more impressive as a live group of people weren't able to gather at that time.

A group that takes challenges as they come, they were ready last Thursday to play at the Whisky.

"It was a dream. Just the idea of being able to play at the same place our favourite bands played. It felt unreal. [We were] so pumped, so excited. Definitely a bucket list item," said Loane.

The Whisky a Go Go is famous in the rock and roll world. From the time that they opened their doors in 1964, the club has hosted a variety of groups that turned out to be greats, recognizing them before they became well-known. These recognizable acts include the Doors, Janis Joplin, and Led Zeppelin.

To keep it interesting, The Bloodshots not only performed at the club but also debuted a new tune.

"[Our] new song called 'Bay Blues'. I started writing it after a trip to Cali-

ifornia I took years ago, so it kind of came full circle. This is going to be our next single, and what a place to debut it live. It received a great big cheer so we're excited to try and get it on the Canadian FM waves," said Loane.

The members on stage last week were Loane on lead guitar and lead vocals, Keith Skazyk on rhythm guitar and backing vocals, Ben Hodges on drums, and Cory Badger on bass who stepped in for the trip.

The band got together in 2013 and has been working hard for the past ten years to achieve this amazing accomplishment.

Loane wants young people in our region to know that success doesn't have to come overnight.

"It's ok to still have dreams while you slug out a living. Stick to them and enjoy your life. There's more to it than clocking in from 9 to 5 and going to bed. You have to remember to feed your soul in the meantime," he said.

After all this hard work, Loane described the group's time on stage as better than the band could have imagined.

"So much adrenaline was pumping afterwards. Our only complaint was we wanted to play longer. This place was so awesome we wanted to give them more. You can truly feel the soul of Rock n Roll flowing through that building," said Loane.

Though this was a great time of celebration for the band, they don't plan to slow down.

"We definitely made a ton of new fans. Our social media has been blowing up ever since we announced this show and some of the contacts we made while down here are very interested in working with us. The Navajo Nation in Arizona is very interested in us now," said Loane.

If you want to hear more from this local group check them out on Spotify, YouTube, Facebook, Amazon, Apple Music or your favourite streaming service.

STONEWALL

A Message from CurlManitoba President Keith Johnston

On behalf of the CurlManitoba Board of Directors, staff, and approximately 100 member curling clubs across the province, it's an honour to bring greetings to all competitors, spectators, and supporters of the game.

At CurlManitoba we are proud of the accomplishments of our high-performance athletes, but recognize the foundation of curling remains at the grass roots level. Our recently developed strategic plan placed even greater emphasis on growing curling club capacity and further improving communication with our member clubs. We believe positive progress has been made in these areas with club focused newsletters, for example, as well as through conversations, shared resources, and workshops. Many clubs have also taken advantage of website and social media support through CurlManitoba.

Growing the game continues to be another high priority area for CurlManitoba. New opportunities are being discovered within our communities by partnering with groups like Winnipeg Newcomers Sport Academy.

Evolving initiatives like U15 bonspiels hosted throughout the province and inter-league play have been introduced and now join our other youth-based programs to help provide opportunity for everyone across the province.

Last season at the national level, our Manitoba athletes continued to shine. Highlighted by a fourth consecutive Canadian Women's Championship for Gimli's Kerri Einarson and for all of our athletes overall, an impressive nine medals over six national events.

The CurlManitoba Curling for Life Endowment Fund continues to grow with funds now in excess of one million dollars. This fund generates revenue in perpetuity to be used for scholarship and development opportunities all across the province.

All of our successes would not be possible without the continued support of our sponsors. I would like to extend a debt of gratitude to all of our partners with a special thank you to Viterra, our title sponsor for this great event. Our sport could not thrive without supporters like you.

We would also like to thank the Stonewall organizing committee and all of the many dedicated volunteers for hosting this year's event. We know you will provide great hospitality for all players and spectators, ensuring this event will be another success!

Good luck to all teams competing and may you be guided by good sportsmanship now and for years to come.

Message from Viterra

Welcome to the 2024 Viterra Championship in Stonewall. This marks the eighth year we've been the title sponsor of this premier event, and we're proud to continue supporting this showcase of the best curling Manitoba has to offer.

Viterra has a long history of partnering with farm customers in this area of the province, connecting them to markets worldwide. Most recently, we were proud to open a brand new, state-of-the-art grain facility at Rosser, which will support customers in the area with superior service for many years to come.

While we continue to make investments in our asset network, it is just as important for us to invest in the communities where we live and work. Our partnership with CurlManitoba is a great way to illustrate this commitment and I would like to recognize their team for the great work they do to support local curling and help it thrive across Manitoba.

Over the last 100 years, our success has been fueled by our competitive spirit and focus on high performance, which are the same qualities that drive our curlers to achieve success here at home and around the world. I would like to wish all of the curlers participating in this week's tournament good luck as they compete to earn a spot on the national stage.

I would also like to thank the dedicated crew of volunteers who work hard to ensure that curlers and fans have a memorable and engaging experience at one of Manitoba's top sporting events.

I hope you enjoy what promises to be an outstanding week of curling.

Kyle Jeworski, CEO
Viterra Canada

Message from the Town of Stonewall

On behalf of the Town of Stonewall and my fellow Councilors, I am pleased to extend a warm welcome to those attending and who are participating in the 2024 Viterra Provincial Championship. We are extremely proud to host and sponsor this prestigious Provincial Championship for

the first time.

Stonewall has lots to offer and we encourage you to spend some of your downtime exploring our town. We have a variety of great places to shop, eat, and play all within walking distance of the Veteran's Memorial Sports Complex.

I would like to extend my heartfelt thanks to the Host

Committee along with those who have

made this event possible. Volunteers are the backbone of every community and events such as this could not be possible without them.

Thank you to our Parks & Arena Staff for the extra time

and effort to ensure our facility is a welcoming venue for all to enjoy.

Whether you are curling, spectating, or volunteering, we hope you have a fantastic time in Stonewall.

Mayor
Sandra Smith

Message from the Committee

The 2024 Viterra Championship Host Committee would like to welcome you to the Town of Stonewall.

The Town of Stonewall was founded in 1878 as a major limestone production centre and not long after the Stonewall Curling Club was established in 1888. Throughout the club's history, there have been numerous dedicated volunteers that have ensured

the longevity and success of the club.

Hosting a prestigious event such as the Viterra Championship can't happen without the support of volunteers from the club, town and surrounding communities. We want to thank each and every volunteer for taking the time to make this event a success.

The Committee also wants to give a huge thank you to all our

sponsors. Without the backing of our sponsors, we would not have been able to put on a

successful event.

CurlManitoba thanks our Livestream Sponsors:

Viterra Championships coming to Stonewall next week

By Ty Dilello

The 2024 Viterra Championships will be taking place in Stonewall at the Veteran's Memorial Sports Complex from Feb. 7-11.

It's going to be an exciting time as 32 of the top men's curling teams

from across the province will be competing for a chance to wear Team Manitoba colours at the upcoming Montana's Brier.

The top seeds at the provincial championships will be Granite's Brad Jacobs (Reid Carruthers, Derek Samagalski, Connor Njegovan) and

Fort Rouge's Ryan Wiebe (Ty Dilello, Sean Flatt, Adam Flatt). Rounding out the top five seeds will be Fort Rouge's Braden Calvert (Corey Chambers, Kyle Kurz, Brendan Bilawka), Assiniboine Memorial's Jordon McDonald (Dallas Burgess, Elias Huminicki, Cam Olafson) and Assiniboine Memorial's Brett Walter (JT Ryan, Graeme McFarlane, Hugh McFarlane).

Thomas Dunlop is representing Charleswood on Devon Wiebe's team. The Interlake will also be represented by Winnipeg Beach's Justin Reynolds (Nick Weshnoweski, Josh Maisey, Sean Giesbrecht), who won a spot through the same regionals as Ede. Kyle Einarson is curling with Justin Richter, Jared Litke and Mitch Einarson and are representing Beausejour.

The Carman area has a pair of entries in the Viterra Championships as Carman's Dean North (Brad Wainikka, Rob Van Deynze, Mike Orchard) and Holland's Jeremy Sundell (Elliot Sundell, Paul Sundell, Thomas Huggart) each won a berth through the southern regionals event.

Full Event Passes for the championships are available for \$150 and Single Day Passes are \$50. They can be purchased here: <https://curlmanitoba.org/viterra-championship/>. The physical tickets can then be picked up at the Town of Stonewall office (293 Main Street) Monday to Friday, 8:30 a.m. to 4:30 p.m., or at the Stonewall Curling Club bar Monday to Friday from 6:45 p.m. to 9:30 p.m. They can also be mailed out, or can just be picked up at the door during the event. Tickets can also be purchased in person (cash/debit/credit card) at the Club bar.

Single Draw Admission (\$20) will only be available during the event. Children 12 and under are free.

"Our team is very much looking forward to competing in Stonewall next week," said Wiebe, skip of the second-seeded rink out of the Fort Rouge Curling Club. "We've had a pretty good season to date, and we really want to try and peak at this Provincial Championships as the ultimate goal for our team this season is to win the provincials and play in the Brier. That would be a major accomplishment for us."

Team Matt Dunstone out of the Fort Rouge won't be playing in the Viterra Championships as they have been awarded a Wild Card entry to the upcoming Montana's Brier.

There will be a number of local curlers participating. The home team representing Stonewall is Logan Ede's team (Reece Hamm, Emerson Klimpke, Ryan Zapotochny) who won a spot through the regionals. Stonewall's Greg Melnichuk will skip a team after he earned a spot winning the Manitoba Open and

IT'S GOING TO BE AN EXCITING TIME AS 32 OF THE TOP MEN'S CURLING TEAMS FROM ACROSS THE PROVINCE WILL BE COMPETING FOR A CHANCE TO WEAR TEAM MANITOBA COLOURS AT THE UPCOMING MONTANA'S BRIER.

The draw times for the 2024 Viterra Championships are as follows:

WEDNESDAY FEB. 7 – 8:30 A.M., 12:15 P.M., 4 P.M., 8:15 P.M.

THURSDAY FEB. 8 – 8:30 A.M., 12:15 P.M., 4 P.M., 7:45 P.M.

FRIDAY, FEB. 9 – 8:30 A.M., 12:15 P.M., 4 P.M., 7:45 P.M.

SATURDAY, FEB. 10 – 9 A.M., 2 P.M., 6 P.M.

SUNDAY, FEB. 11 – 9 A.M., 2:30 P.M.

50/50 for the Viterra Championships is also now available online at www.raffle.link/curling, with the first drawing on Feb. 7 at 10 p.m. promising to be a big one.

There will be a “Quarry Patch” where fans can come out before and after games to socialize. It will be open from 9 a.m. to 1 a.m. from Wednesday to Saturday and from 9 a.m. to 5 p.m. on Sunday.

At the “Quarry Patch,” there will be

DJ music on a few of the nights, Neil Kitching performing on Thursday night, Grant Leutshaft on Friday night, and Grant Leutshaft/Bruce Jacobs performing on Saturday night. These musical performances will take place from 9 p.m. to 1 a.m. each night.

The winner of the Viterra Championships will represent Manitoba at the 2024 Montana’s Brier in Regina, Saskatchewan, from Mar. 1-10. This will be the first Brier under the sponsorship of Montana’s BBQ & Bar, following the departure of Tim Hortons as a sponsor.

A total of eighteen teams will qualify for the 2024 Brier. The fourteen Canadian curling member associations will hold playdowns to determine who will represent their province or territory. Team Canada is represented by Newfoundland and Labrador’s Brad Gushue, who won their second consecutive Brier championship at the 2023 Tim Hortons Brier.

In a change in the qualification format, the Brendan Bottcher of Alberta and Matt Dunstone rinks automatically pre-qualified for the 2024 Brier field based on their 2022-23 Canadian Team Ranking

Standings (CTRS), which meant they bypassed the provincial qualifiers. A fourth qualifying team will join the field as the top non-qualified team on the 2023–24 CTRS standings following all of the provincial and territorial playdowns.

The winning team at the Brier will ultimately represent Canada at the 2024 World Men’s Curling Championship in Schaffhausen, Switzerland.

Manitoba Provincial Men's History

Provincial

From 1925 to 1958 teams played a straight knockout format. This was played in conjunction with the MCA Bonspiel. In some years as many as 64 teams qualified. Exceptions to this included 1930 to 1932 where the MCA Bonspiel Grand Aggregate Winner was declared Provincial Champion. In 1949 a round robin format was used with 12 teams. In 1959 the current format of a maximum of 32 teams was started, however if a team qualified twice, the numbers were reduced accordingly. In 1965, minimum 32 teams became the yearly number to compete. There have been various types of draws used to declare the champions over the years. In 1995, the 8 team qualifier was introduced and in 2003 the Final Four or Page Playoff was introduced. In 2021 there was no playdown because of the pandemic. Jason Gunnlaugson Team being last years champion was chosen to represent the province. In 2022 only 28 teams competed in a curling club due to restrictions

Canadian Men's

The idea of a national competition began in 1925, with the Manitoba Champion heading east to play a series of exhibition games against eastern teams. In 1927 the first Brier was held with 8 teams competing with only one team representing Western Canada. The teams played 14 ends against each of the other teams with no playoff unless the teams were tied for first place. In 1928, the games were shortened to 12 ends with 10 teams competing. In 1936, PEI and British Columbia were added and in 1951 Newfoundland/Labrador, in 1975 The Territories were added. In 1977, games were shortened to 10 ends. There was no Brier held from 1943-1945. In 1979, the last Brier was held where no playoff games followed unless teams were tied. In 1980 the play-off format was changed to the first place team receiving a bye to the final and the second and third place teams playing a semi-final game to see who would advance to the final. In 1995, the Page Playoff format was adopted. In 2018, the event was ex-

panded to 16 teams in two pools of 8 teams. A wildcard entry was added. In 2021, because of the pandemic the championship was expanded to 18 teams in two pools of nine. Two additional wildcard entries were added based on the ranking system, one of the wildcard teams was from Manitoba. In 2022, three additional wildcards were added. Two pools of 8 with top three playing down to four and page playoff final.

Men's

In 1959, the first world men's championship was held with teams from Canada and Scotland competing. In 1961, the USA joined as did Sweden until finally 10 teams qualified in 1973. The teams played a round robin followed by a straight knockout involving the top four teams with 1 vs 4 and 2 vs 3. There are now 12 teams that compete. In 2005, the Page Playoff format was adopted. The championship was not played in 2020.

Provincial Final

Since 2003 the Page Playoff has been used to determine the champion. In the 18 years of this playoff system, the winner of the 1 vs 2 game has gone on to win on 13 occasions. On 4 occasions the loser of the 1 vs 2 game has come back to win (2008 Burtnyk, 2010 and 2013 Stoughton, 2017 McEwen). Only once has the 3 vs 4 winner claimed the championship. (2012 Fowler).

Royals dump Dakota Lancers in boys' hockey

By Brian Bowman

The Selkirk Royals dumped the Dakota Lancers 6-2 in WSHL Platinum Promotions Division play last Thursday in Winnipeg.

Ryan Cromie was the star of the game, scoring three goals while Gaven Berry, Sam Khodayary, and Deacon Kemp also tallied.

Cromie and Berry each finished the game with three points. Drake Vermeulen chipped in with a pair of assists.

Lancers' goals were scored by Ludovic Funk and Neely Evans.

Easton Robertson earned the win in goal.

On Jan. 22, Selkirk picked up another huge win with a solid 5-3 home victory over the Steinbach Regional Sabres.

Down 3-1 in the third, Selkirk exploded for four unanswered goals. The boys didn't quit despite being behind 3-0 in the second.

Royals' goals were scored by Nathan Ramos-Lam (two), Cromie, Parker Carels, and Vermeulen.

Lucas Jolicoeur (two) and Colton Wiebe answered for the Sabres as Jonny Enns-Demchuk earned the win in goal.

Selkirk hosted the Vincent Massey Trojans this past Monday and then will take on the Westwood Warriors Wednesday (4:15 p.m.) at the Keith Bodley Arena.

In Manitoba Women's High School Hockey League action, the Selkirk Royals dropped an 8-3 home decision to the Glenlawn Lions on Jan. 23.

Serena Reeb had a great game for Selkirk with a goal and two assists while Kayla Skoryk and Lexi Everett also tallied.

Glenlawn goals came from Chloe Minkus (three), Delainey Rigaux (two), Vayda Rigaux, Jessie DeCraene, and Leah Claussen.

The Royals' next game is Feb. 6

Steelers still in playoff hunt after a pair of huge wins

By Brian Bowman

The Selkirk Steelers are keeping their playoff hopes alive.

Selkirk defeated the Niverville Nighthawks 3-1 in MJHL action last Friday. The Steelers needed this win big time.

Rocco La Cara potted a power-play goal in the opening frame and then Niverville's Kaycee Coyle and Selkirk's Luke Wagner traded second-

period goals.

The Steelers' Mathieu Catellier closed out the scoring midway in the third.

Noel Olsonawski made 22 saves for the win.

Niverville, currently fourth in the MGEU East Division with 46 points, leads fifth-place Selkirk by just seven points. The Steelers also have a game in hand.

On Jan. 23, the Steelers had a fantastic effort in a wicked 4-0 home win over a really good Winkler Flyers' team.

Mathieu Moreira scored for Selkirk in the first period and then Joel Purdom (power play), John Lang, and Ian Lavallee tallied in the second.

Olsonawski made 19 saves for his second shutout in two games. He's been really good for Selkirk in his

MJHL rookie season.

On Monday, he was named one of three Original 16 Stars of the Week.

The Steelers outshot the Flyers 55-19.

Selkirk will take on the Neepawa Titans this Saturday (7:30 p.m.) at the Recreation Complex.

Next Tuesday, the Steelers will host the Steinbach Pistons for another 7:30 game.

Gators doubled 4-2 by the Clippers

By Brian Bowman

The St. Clements Gators were doubled 4-2 by the Niverville Clippers in a Hanover Tache Junior Hockey League game on Sunday in East Selkirk.

St. Clements snagged a 2-0 lead just 9:19 into the game on goals by Gavin

Winram and Luke Tyslau.

But, unfortunately, Niverville woke up.

The Clippers' Craig Lacasse scored at 16:01 of the first period and then, after a scoreless middle frame, Morgan Rempel, Erik Anderson, and Rylan Kurbatoff tallied by the 6:30 mark

of the third.

On Jan. 23, St. Clements lost 7-2 at home to the Springfield Xtreme.

Gators' goals were scored by Max Van Heyst and Brayden Quinn while Kai Orchard (two), Mattix Carpenter, Brady Chambers, Jacob Dasilva, Blake Gordichuk, and Colin Rabichuk

answered for the Xtreme.

St. Clements played the Steinbach Huskies this past Tuesday but no score was available. The Gators will host the Xtreme on Friday (7:30 p.m.) and then visit the Landmark Blues Saturday (8 p.m.).

U18 AAA Thrashers defeat Hawks, Selects

By Brian Bowman

The U18 AAA Thrashers defeated the Pembina Valley Hawks 5-3 on Saturday afternoon in Morris.

Malcolm Malquist led the Thrashers with two goals while Shane Fetterly, Brandon Corda, and Ben Brambilla also tallied.

Hawks' goals were scored by Haiden Friesen and Lane Apperley.

Austin Kindrat earned the win in goal.

Last Friday, Winnipeg thrashed the Eastman Selects 6-2 in a solid home win.

Thrashers' goals were scored by Mason Mykichuk (three), Corda, Lian Hanzmann, and Parker Rolston. Selects' goals came from Calyb Moore and Cameron Sylvester.

Tay Timmerson made 48 saves to post the victory.

The Thrashers will visit the Selects Friday (7:45 p.m.) and then host the Brandon Wheat Kings Saturday (3:30 p.m.) and the Norman Northstars Sunday (1 p.m.).

Raiders clipped by first-place Canucks

By Brian Bowman

The Raiders Jr. Hockey Club were edged 2-1 by the first-place St. James Jr. Canucks in MMJHL action on Sunday afternoon.

Ryland Kuczek scored for the Raid-

ers while Brady Whitely and Griffin Haight replied for St. James.

Last Friday, the Raiders downed the River East Royal Knights 5-2.

Nate Goodbrandson and Jack Oleksiuk each scored a pair of goals while

Alex Loschiavo also tallied.

Anthony Jacob and Kalen Reynolds replied for River East.

Owen Savoie made 45 saves for the win.

The Raiders will host the Transcona Railer Express on Friday (7:30 p.m.) and then visit the St. Boniface Riels Sunday (3 p.m.).

Fishermen lose three in a row last week

By Brian Bowman

It's not often that the Selkirk Fishermen lose three consecutive games, including getting shut out twice in a row.

Selkirk was shut out by the Lundar Falcons at home on Sunday as Riley Zdan, Gray Ray, Daniel Masters, and Joel MacMillan scored for the winners.

Kennedy Kerr made 47 saves for the shutout.

Last Friday, the Fishermen were blanked 4-0 by the Beausejour Com-

ets. Aidan Avanthay led Beausejour with a hat trick while Merrick Hurcul added a single.

On Jan. 23, Selkirk was edged 3-2 by the Warriors in St. Malo.

Julius Guimond and Kasen Andrushko scored for the Fishermen while Damon Johnson, Ashton Dubois, and Koby Connelly replied for the Warriors.

First-place Selkirk visited the North Winnipeg Satelites this past Tuesday and then will host Beausejour on Sunday. Puck drop is 3 p.m.

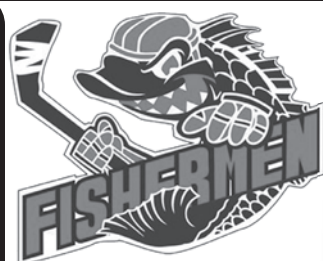

RECORD PHOTO BY BRETT MITCHELL

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Expert Patient Here to Help!

By Susie Schwartz

I made such a stupid mistake recently - twice!

I had a neurosurgeon appointment to discuss a spinal surgery that I'll be having, thanks to severe lumbar stenosis. We talked about the symptoms I had, and symptoms most people have chances of improving with or without surgery, chances of it getting worse with or without surgery, risks of the surgery, complicating factors for success, such as my fibromyalgia and diabetes and. It was a lot. We were with the surgeon for an hour before his secretary kicked us out, ha! And guess what I didn't do? I decided not to record it! Why? Because Don came with me. I thought that was enough.

But here's the thing. The doctor had given us so much information that neither Don nor I remembered everything he said... even to the point of arguing about it on the way home! We decided we needed another appointment after all that to decide if surgery or no surgery, which the doctor had left up to us to decide.

Then, within weeks, I had a complicated gastroenterologist appointment where we talked about my, erm, tricky future with my rare disease of gastroparesis. (A result of the type 1 diabetes.) We talked about feeding tubes and ileostomies and meds to start and meds to stop and, and, and. And I didn't record this one either! I mean, what was I thinking? If our phone recording apps aren't for this, then what? (Apart from secretly recording your mother-in-law or neighbour-friend to quote them

Susie Schwartz

in the sitcom script you are about to write about them, obviously.)

And I call myself an expert patient. Yikes.

So yeah, for the sake of your health and marriage, record an appointment! Especially if it's not just for a UTI that won't stop, and you know they will just give you a third round of antibiotics. Hypothetically, of course. Anything more complicated, do it. Press the red button. Just don't forget to press 'stop' after the appointment or you'll have hours of BBC Radio footage from the ride home about Prime Ministers who break their own rules during a pandemic. Just sayin'.

Less health stress, yes?

OBITUARY

Geraldine (Geri) Joan McDonald
September 23, 1945 - January 28, 2024

Peacefully, on Sunday, January 28th at the age of 78, with her son and her two sisters at her side, Geri was released into the loving arms of our Lord Jesus Christ.

Geri was predeceased by her husband Ellis Shippam; son Todd Davies; parents Victor and Helga McDonald; brother-in-law Ken Mlodzinski; and nephew Marc Boutin.

Lovingly remembered by her son Kent Davies, daughter Casey Davies (Toon), and grandchildren Justin (Karsen), Alexandra (Renee), Christian, Samantha, and Kyla, and great-grandchildren Bodhi and Linden; her sisters Esther Ann Boutin and Denise Mlodzinski; and her nieces and nephews Georgi Ann (Ivo), Gyula (Lelia), Adam (Jacquie), Renise, Cindy (Trevor), and Lovita (Thomas), their children: and many friends and extended family.

Geri was the firstborn child to Victor and Helga McDonald. She was the apple of her father's eye from day one. From the moment she popped out she exuded grace and poise, very soon becoming a talented dancer. A talent which was lifelong. She and her two sisters were raised in a humble, cozy home on Strathnaver Ave. in Selkirk which was always full of company. No wonder that she and her sisters grew up endowed with such tremendous social charm. Geri was a popular teen, strong willed, smart, pretty, even becoming runner-up in the Miss Selkirk beauty pageant. (Her father, Victor, was just wicked that she didn't win the title.)

Geri was married twice. First, to Larrie Davies, with whom she raised their three children in the Maples in a very busy household. At the age of 42, she became a young, beaming Grandma, a role in life that she truly treasured. Geri was a charming, stylish, multi-talented and energetic woman, whether applied to her career at the Royal Bank of Canada, selling Michelle Lynn jewelry at home parties, or as an enthusiastic supporter of the various endeavours of close family and friends, never hesitating to offer time, and creative and/or wise advice. She was also particularly proud of her Hecla Island heritage, and belonging to the very extensive Bell family, maintaining strong relationships with many aunts, uncles and cousins all through her life. Geri met her second husband, Ellis Shippam, while ballroom dancing. After their respective careers, they waltzed into retirement splitting their time between winters in Mesa, AZ and summers in Spruce Sands, MB. enjoying a rich social life in both communities. While she and Ellis didn't always jive, their perseverance and perfectionism in attacking home improvement projects inevitably ended in victory, battle scars and all. Where they were always completely in step was in their devotion to their dogs—Sarah and their most beloved Sassy.

Another significant part of Geri's life has been her Christian faith. She was a member of Selkirk Community Church, and previously enjoyed the fellowship of Christian Women's Club and her Women's Bible Study groups. Unfortunately, her involvement in these and other activities had been reduced over the past few years. The ordeals of life – the passing of her eldest son, Todd, then Sassy, then Ellis – all take their toll. And after several years of frail health, she has spent the last six months at the Betel Personal Care Home where she passed away. We would like to extend a special thank-you to the staff and caregivers at the Betel for their patient and loving care.

Thank you to Gilbert Funeral Home for the prompt and personal attention they always provide for our family.

A memorial service and interment will take place at a later date.

OBITUARY

George Albert Thrale

It is with heavy hearts that we announce that George Albert Thrale, age 81, passed away peacefully on January 24, 2024 at the Selkirk Regional Health Centre, surrounded by his family.

George will be dearly missed by his beloved wife Darlene; his daughters, Cyndy (Barry), Lorena (Bob), and Theresa (Bill); his grandchildren: Brittany (Brenden), Breanna, Austin (Larissa), Dayna, Jorja, Scott (Carena), Shawn, Mike (Haleigh), and Michelle (Anthony); his seven great-grandchildren with one on the way; and his siblings: Bob (Elaine), Rick (Shirley), Roger (Louise), Jeff (Janine), Carol (Gord), sister-in-law Edith (Tony) and brother-in-law Tom.

He is predeceased by his parents Albert (Tim) and Lorena (June) Thrale, his in-laws Walter and Janet Scoular, and sister-in-law Cynthia.

George was born on May 16, 1942 in Miniota, MB. He grew up on a farm with his family in Cardale, MB. He had no shortage of adventures in his lifetime, having lived in several locations in Northern Canada while he was working as a meteorologist. He worked for Manitoba Hydro for 34 years, until his retirement. George recently celebrated 60 years of marriage with his wife and lifelong partner Darlene Thrale on January 11, 2024. They were married in Fort Smith, NWT in 1964.

George was very fond of the outdoors and would often spend his days golfing or fishing. Among many hobbies, he was an avid reader with a large collection of books and was also a gifted writer.

George will be remembered for his strength and courage, as he was awarded a Medal of Bravery from the Governor General of Canada for rescuing a young girl, Tammy, from a fire that broke out in Selkirk, Manitoba in 1984.

As a man of great faith, George devoted his life to Jesus Christ, serving as an Elder in the Cross Roads Church for many years, and occasionally preaching his beautifully written sermons to the congregation.

He was a loyal and dependable husband, a strong father who set an amazing example for his children, a fun papa and great-grandfather with a wonderful sense of humor, and he will forever be in our hearts.

George's family would like to thank the hardworking and caring staff at the Selkirk Regional Health Centre.

Cremation has taken place and a celebration of his life will be held on Wednesday, January 31, 2024 at 11:00 a.m. in the Gilbert Funeral Chapel in Selkirk, Manitoba.

OBITUARY

Arnold Arthur Goodman
B. A. (Hons.) LLB
November 11 1949 -
January 21 2024

Proverbs 27:9 (VOICE) "The heart is delighted by the fragrance of oil and sweet perfumes, and in just the same way, the soul is sweetened by the wise counsel of a friend."

It is with heavy hearts that the Goodman family announces Arnold's peaceful passing at the Selkirk Regional Health Centre. The eldest of seven children,

Arnold was born and raised in Selkirk. Over the course of his career, he resided in Ontario (Ottawa); Manitoba (Winnipeg, Hamiota, Flin Flon); and Saskatchewan (Regina, Saskatoon; Star City, Regina, Watrous). He retired in Selkirk about a decade ago.

Arnold was predeceased by: maternal grandparents, Agust and Stella Amundson; paternal grandparents, Vilhjalmar and Johanna Goodman; parents, John Richard Goodman (2009) and Audrey Adalbjorg Goodman (2014); mother of his daughters, Shirley Ann Evelyn Goodman (Taylor) (2014); youngest brother, Paul Gudni Goodman (2010); and sister-in-law, Karen Lynn Goodman (2021). Also predeceasing Arnold were his Aunt Laufey Davis (nee Goodman), uncles Magnus, Thor, Kjartan, Siggie, and Lawrence Goodman; uncles Gilbert and Clifford Amundson; cousins Marvin Goodman, Burke Amundson, Sheila Storjord, Donna Davis, and David Lockhart.

Arnold is survived by his two beloved daughters Victoria Roxanne Goodman (partner Anastasia Sparvier); Charity Amanda Goodman, (partner Dan Pilon and sons Julien and Gabriel Pilon); and Shirley's sister Cheryl Taylor-Kashton (husband Dave Kashton).

He leaves behind two brothers: Captain Wynford Goodman and children Jean Giles (partner Wes) - Jacob, Kimberly, Sarah, Curtis Goodman (wife Samantha) - Tia, Brooke and fiancé Dylan Kutsch; David Goodman (partner Sandy Warnock) - Aidan; and Timothy Goodman (partner Emelie Comeault) - Blake, Joe, Alexander, Atticus; and brother Gunnar Goodman (wife Pansy) and their children - Jade, Jasmine (husband Cameron Wood), Thor, Magna.

Arnold leaves behind three sisters and their families: Janie Goodman-Hygaard (husband Danny Hygaard) and their daughter Aynsley (partner William Kuta); Alexa Okrainec (husband Bruce); Joy Wozney (husband Bryan) and their children Joshua Wozney (partner Indianna Mullan) - Sydney; and Danielle Shachtay (husband Ryan) - Emerie.

Arnold is survived by his aunt Heather Lockhart and also by Paul's daughter, Caley Goodman (partner Brandon Shields Schurko).

Close childhood friends acknowledging Arnold's passing include Grant and Stuart Swanson, Ed Slyker (his best man), and Roger Belanger (close neighbour). Also missing him are people in the extended Goodman, Amundson, Lockhart, and Davis families, among others.

In his youth, Arnold worked at Booth Fisheries in the summer-where his 'Afi' Gunnar Johnson, Uncle Lawrence-the boss, Uncle Siggie, and dad worked-as a shipper. Oh those colorful stories brother Arn would share about his work experiences on the dock at Selkirk. Summers also meant trips to Gull Harbour by the lake with the family, travelling on the ferry to Hecla Island, and visiting with the Jones family. Long rides on dusty roads and lots of mosquitoes weren't Arnold's favorites! Swimming at the Selkirk Park pool with close friends was fun when our family wasn't at the family cottage where our Icelandic ancestors spent their time. Grandparents Gusti and Stella grew up on Hecla Island, Gusti working in the fishing industry close to the Gull Harbour dock.

Arnold excelled in writing, debating, and piano in his early life, winning numerous scholastic and talent awards. He thoroughly enjoyed time at Knox Church Presbyterians Youth group, his trip to Expo '67, classic cars and magazines. He owned an old antique car and truck that were in the Selkirk parade years ago. As a student he managed a paper route on Clandeboye. He had great memories of a big trip to California with Paul and vacationing in the American Midwest with family. In his latter years, Arn took an interest in films and the film industry.

Arnold graduated from the University of Manitoba with an honours Arts degree in English literature. He completed his postsecondary studies at Robson Hall (UM - Law). He scored well on exams with minimal effort. Scholarships and bursaries plus summer work funded his university education. Oh those days living in residence at the University of Manitoba! During his life, Arnold practiced law in various areas, primarily corporate law. He took great pride in his work for Canada Mortgage and Housing, which involved the construction of the Portage Place Mall in downtown Winnipeg in 1987.

Rest in Peace Arnold - father brother uncle great-uncle cousin and dear nephew of Heather Lockhart (Amundson) - friend to many.

"For whether we live, we live unto the LORD; if we die, we die for the LORD; whether we live therefore, or die, we are the LORD's." Romans 14:8 KJV

Thanks to everyone who helped Arnold remain living in the community - one of his most important life priorities as he aged, especially his physicians and medical care team - Dr. Nyomba, Dr. Embil, Dr. Stockl, Drs. Lindenschmidt, Dr. Karpinski, Dr. Silverman, Dr. Yacob, Selkirk homecare service, dialysis staff at Selkirk hospital, plus caring friends, his neighbours at Red River Manor, and many others.

A memorial service to celebrate Arnold's life was held at 11 o'clock on Tuesday, January 30 at Gilbert Funeral Home, 309 Eveline Street Selkirk, Manitoba. The Reverend Ted Hicks officiated.

OBITUARY

Pauline Emily White

Born January 18, 1932 - Passed January 21, 2024

It is with great sadness the family announces the passing of Pauline on Sunday, January 21, 2024.

Pauline was a beloved mom, sister, Auntie, Grandma, Great Grandma and friend to everyone who knew her.

Pauline was predeceased by her husband Roy in 1984 and is remembered by her sons Ron (Theresa), Michael and Dan; grandchildren Tiffany (Matty), Alanna (David), Lee (Crystal); great-granddaughter Tavia, great-grandson Kasen and sisters-in-law Helen and Gerry.

Pauline was born in Badger, MB. to Gilford and May Walker (nee Harrison), both from Lancaster, England. She was their 6th and last child.

After moving to Winnipeg, she grew up mostly in the Fort Rouge area. She started work at age 15 at Moir's Drugstore in the fountain division where she met her husband Roy, who was the delivery boy. After they were married Pauline went to work at Hudson Bay jewelry department. In 1956 she and Roy moved to Windsor Park. Roy changed jobs to Coca-Cola which changed their lives as they got transferred to Saskatoon (two times), Calgary, Thunder Bay, Kelowna, then back to Winnipeg in 1972. After a few years Roy went to work for Schweppes, which was a different time for both Mom and Dad. Both went on many trips together including their Schweppes 200th Anniversary trip to England in 1983. Both curled with the ACT group (Associated Canadian Travelers). Pauline bowled with family and played a lot of card games. She loved to get together with friends and family and fondly remembered the family reunions and Easter Egg hunts at Auntie Helen's in Petersfield, MB. Mom was an avid reader and always had a book on the go. She bought a VW Westfalia in the 80's and enjoyed travelling with sister Madge and husband Stan and sister Winnie. Mom was a very independent woman and stayed in her house until 2002 maintaining both house and garden. Then she decided to sell and moved to her apartment at Niakwa Park Plaza. Finally, the family talked her into moving to the Lions Centre in Selkirk in 2021 to be closer to us. She made a lot of new friends and enjoyed her Wednesday and Saturday night bingo and occasional trips to South Beach Casino.

She loved her family very much and wanted them to know that.

As per her wishes, cremation has taken place, and a private service will be held at a later date.

The family would like to thank the health care staff at Selkirk Regional Health Center for their care with Mom during her final days.

In lieu of flowers, donations can be made in Mom's memory to the Cancer Society or a charity of your choice.

Found in Mom's purse after her passing:

God saw you getting tired,
And a cure was not to be,
So He wrapped you in His loving arms
And whispered, "Come with Me".
You suffered much in silence
Your spirit did not bend
You faced your pain with courage
Until the very end.
You tried so hard to stay with us
Your fight was not in vain
God took you in His loving arms
And saved you from all pain

OBITUARY

Gerald (Jerry) Mackenzie

Gerald (Jerry) Mackenzie passed away peacefully on January 23, 2024 at the age of 91.

He is survived by one son, Robert. He was predeceased by his wife Edey of 59 years, parents Leroy and Bella, three brothers and one sister.

He was born in Moncton, NB and in 1953 met his wife Edey. They started out married life with very little and built a comfortable life. In the early years he joined the air force and four years stationed in Germany was a highlight of their lives. Avid campers they traveled throughout Europe, returning to Canada in 1962 to Greenwood, NS, where they continued building their life and traveling around the east coast.

He moved to Winnipeg in 1967 and later retired from the air force and started working for the Manitoba Government, retiring in 1992. They moved to their cottage, now home, where he maintained the place becoming very proficient at minor construction and repairs.

A serious car accident as a passenger in his early teen years kept him from getting his drivers license, after he retired he proudly did get a drivers license and also a moped with which he toured the Grand Beach area. The first year of retirement he also helped his son build his house. He finally moved to Selkirk in 2020 where he spent his remaining years.

Thanks goes out to Betel Home front line staff for their care and the difficult work in the personal care home that they do.

In accordance with his wishes, cremation has taken place and a private service will be held at a later date.

OBITUARY

Vivian Heide (nee Wright) 1950 – 2024

It is with a very heavy heart I announce the passing of my wonderful wife Vivian. She died peacefully January 17th after a very brave and difficult battle with her illness.

She was born in Morden but eventually moved to Portage where she started a family and a Robin's Donut business with the help of her first husband and eventually her three children. Her life changed in the late nineties and she moved to Selkirk where she worked at Red River Place until she retired in 2017.

She leaves behind her second husband Art, her sisters Eileen and Ivadel and brother Brian. As well, she leaves behind her three children Cristie, Dee and Riley, her eight grandchildren and four great-grandchildren.

I would like to thank the staff at Selkirk General Hospital especially those on the Medicine Ward 1 for their kindness and compassion.

Cremation has taken place and immediate family will get together at a later date. As tokens of sympathy, donations in memory of Vivian may be made to the Alzheimer's Society of Manitoba, 120 Donald Street, Winnipeg, MB. R3C 4G2.

Friends and family are invited to visit Vivian's memorial page at www.interlakecremation.ca, where memories and condolences may be shared.

"The Hacking Team made quick work of selling our starter home. Victoria took gorgeous listing photos & the 2 open houses brought in a good amount of interest & foot traffic. We received multiple offers on offer day & sold over list price. We are forever grateful to Kasey & her team for their support & guidance on our journey to our forever home. Kasey, we couldn't have done it without you. Thank you!" -NS & MM
