## Hundreds lace up at first annual walk for kids

RECORD PHOTO BY LINDSEY ENNS

Participants share a laugh while warming up before the first annual Kirstin's Walk for Kids in Selkirk Park on Sunday morning. More than 200 runners and walkers took part in the event in honour of Kirstin Sutherland who died in car crash in Selkirk last September.

By Lindsey Enns

The community's love for Kirstin Sutherland and support for her family was evident during the first annual Kirstin's Walk for Kids.

More than 200 participants showed up and laced up for the five kilometre walk or run on Sunday afternoon in Selkirk Park.

Wearing a white T-shirt with "Kirstin's Walk for Kids" written across it in purple, Lise Gervias and her husband from St. Andrews said they came out to support the Sutherland family.

"We want to do it for Kirstin and the kids," Gervias said. "We want to show them we love them."

Kirstin was 27 when she died in a car crash during the early morning hours of Sept. 5, 2014 in Selkirk. Her father, Rick Sutherland, said Kirstin and her friend were heading home when they got into a car with a driver who had allegedly been drinking, lost control of the vehicle and hit a tree.

"The other two people came out virtually without a scratch but she was in the back seat and she just died instantly," Sutherland said.

Charges against the driver have been laid and the case is still before the courts, Sutherland added.

"We don't want people to forget about the accident," he said.

"We'll do everything we can to keep it in the forefront and in front of the public."

Sutherland said the idea to have a walk came after discussions with friends and family who remember

Kirstin as being outgoing and loving. "She loved kids ... she would go out of her way to make a kid happy and she just loved them," he said.

Sutherland said him, his wife Laurie and their two daughters were over-

whelmed by the community's support on Sunday.

"It's just amazing," Sutherland said. "Everything we needed all we had to do was ask and we got it."

All of the money raised during

the walk will go towards the Kirstin Sutherland Legacy Fund through the Selkirk and District Community Foundation. Funds raised throughout the year will be dispersed to various children's groups and daycares.

The Selkirk Record's requests for an interview with Johnson were left unreturned.

# Film earns provincial nod

By Austin Grabish

A witty student-made video that shines light on silly popular social media trends is encouraging users to engage in conversations about more serious issues online.

The video, made by a dozen soon-to-be graduated Grade 12 French immersion students at the Comp, has already received high praise from judges in a provincial video contest.

Judges from Festival des Vidéastes du Manitoba lauded the film entitled #Tendance for best performance and interpretation at a gala on May 21.

#Tendance is just under six minutes in length and is loaded with stills, hashtags and footage of student actors.

The video fit an "origins" theme for the contest and was part of a project for a global issues class that requires students to take action on something they feel passionate about.

The students entered a different video into the contest last year, but came back empty handed. The contest sees entries from schools across the country.

This year's decision to make a video about the power of social media was an easy decision for the students.

"I feel like this one kind of took us a little more in depth into what we were doing, because with this one we actually had to go out and do stuff," Comp student Connor Ashton said.

Teacher Kevin Lopuck said there was great class discussion on recent social media trends like the online debate whether a pictured dress was white and gold or blue and black in colour.

The debate took social media by

storm earlier this year.

"We started talking about how do things on social media trend," Lopuck said.

Student Noah Curle wanted to know why "stupid" things trend online. He and others posted positive messages on Twitter, and found the tweets didn't get the same amount of attention as humorous posts others in the class had made.

Curle and his peers incorporated this and other observations into their video and mentioned the 276 Nigerian schoolgirls who were kidnapped by Boko Haram gunmen last April.

Lopuck wondered why there hasn't been a recent storm on social media about the schoolgirls, who have now been missing for more than a year.

He and his students said it's disappointing the dress debate and other silly trends get more attention online in comparison to more serious issues.

"We need to try harder," Curle said.

Approximately 20 schools from across Canada competed in the competition, Lopuck said.

RECORD PHOTO BY AUSTIN GRABISH

Grade 12 students at the Comp received nods from judges in the Festival des Vidéastes du Manitoba video contest for their entry entitled #Tendance. The short film is about the power of social media and examines recent trends online.

## Meet Manitoba's Nurse Practitioners.

### Visit a QuickCare clinic.

#### What is a QuickCare clinic?

QuickCare clinics are there to meet your health care needs during times when most other clinics are closed.

QuickCare clinics are staffed by nurse practitioners and registered nurses who can help prevent, diagnose and treat minor health issues. Because they are open evenings, weekends and holidays, they can save you a trip to an emergency room or having to wait for regular clinic hours.

#### What health issues are treated at QuickCare clinics?

- Sore throat, earache, colds and flu, cough, hay fever or nosebleeds
- Infections, rashes or sores
- Stomach pain
- Immunizations
- Bumps, bruises or sprains
- Stress or anxiety

#### Find the QuickCare clinic nearest you

> ARNIE WEIDL

## Summertime fishing fun

Hi guys,

After a couple of weeks of low water at Lockport, it was heartwarming to finally see folks side by side casting into the turbulent currents for silver bass, saugers and catfish.

Down on the concrete walkway in the warm sun a few days ago, I wandered around joking and swapping observations about the day's fishing conditions with our friends. At the end of the pier I came up to a young gal sitting in her lawn chair waiting for a bite while a fit, dark haired woman in a black athletic top continuously fed the girl fishing tips as she baited her own hooks.

Allison Irvin, in the chair, was on her first fishing outing with her mother-in-law Heather MacRea, both of Winnipeg. Heather said she had been coming to this pier for years and it was the only place she liked to fish. Then Allison's rod bent way over and as she squealed excitedly bringing in her first fish, a silver bass, as we cheered her on. I took a picture of her first catch and as I left she shouted after me that she was coming right back here tomorrow for more fishing!

That bass wasn't the only one that got hooked that day. On the way back to Selkirk I stopped at Ricky's at the corner of Highway 44 and 9 looking for Jennifer Law, a MIFA member. She wasn't there, but as I walked out of the place past the gas pumps I saw a biker getting off his ride to fuel up. What caught my eye was the writing on the back of his cut-off jacket. On the top it read, "No Club" and on the bottom it read, "Lone Wolf" and I

**RECORD PHOTO BY ARNIE WEIDL**  
Allison Irvin with her first ever catch of a silver bass at Lockport

thought to myself, I've got to talk to this guy. He was a very tall muscular fellow with a commanding voice who was immediately open and friendly as I asked him if he fished.

Our new angling brother, Raymond Cockle of Winnipeg, didn't skip a beat as he put gas into his bike, exclaiming, "I've fished all my life and I love it!" When I asked if he had an unusual or funny fishing story for us, again, he didn't hesitate and went right into a story about the biggest jack fish I have ever heard. A while back he and a friend flew into Burntwood Lake which is northeast of Flin Flon and when fishing they felt something hit the side of the boat. Ray thought it was a log but his friend came back real quick saying, "Logs don't swim upstream!"

Looking over the side of the boat, they were stunned to see a giant jackfish swimming feebly, blind and almost dead. By the time they got it to shore its time on earth had passed. The boys measured it at 7 1/2' long and 16" across the head! They sectioned a piece and sent it to Natural Resources and the lab boys estimated it to be 137 years old! Thank you Ray for such a wonderful story!

I heard the Teulon Game and Fish Club were having their annual fish fry and derby last Sunday at Norris Lake Park so I got myself over there to say hi. The thing I like about this get together which is run by Terry Hartle and Tony Balian is that the money they raise from the affair goes to pay for the Hydro used by the aeration plant that keeps oxygen in the lake for the fish. This plant, one of 33 in the province, prevents total winter fish kill which in turn generates lively local camping, boating and fishing activities. Way to go, guys!

It seems the pier at Balsam Bay is just as good for meeting girls as it is for fishing. I met Ben Perrin and Christian Laramw on the pier there last weekend. These high schoolers told me when they were fishing, two girls walked up to them, started talking and eventually asked for their phone numbers. The boys were having one of those special days you don't forget until Alex; Christian's brother came by and stole one of the girls away. Some brother!

Well, hang in there folks; you too Ben and Chris; we'll see you all next week, bye.

## Canadian Tire to host BBQ for Jumpstart

**RECORD FILE PHOTO BY BRETT MITCHELL**

Canadian Tire in Selkirk is hosting another fundraising barbeque for Jumpstart on Saturday, June 20 from 10 a.m. to 2 p.m. So far the Jumpstart program has helped close to one million children and 100 per cent of donations go to helping kids in the community. To learn more about how Jumpstart works or to make a donation, visit [canadiantire.ca/jumpstart](http://canadiantire.ca/jumpstart).

# Awareness group to target prescription drug abuse

By Lindsey Enns

When Curtis Brown started to suspect his 16-year-old daughter was experimenting with drugs, he knew he had to act quickly.

"I could tell she was on something ... so I tested her," Brown said.

He then asked his daughter to take a urine test and was shocked by the results.

"I found all these different kinds of drugs in her system," the East Selkirk resident said. "I was flabbergasted ... it was an eye opener."

His realization led him and two other parents to start the Selkirk Drug Awareness Group nearly a year ago. In hopes of raising more awareness, the group is hosting a public meeting on July 8 at the Selkirk Recreation Complex's banquet hall from 7 p.m. to 9 p.m. Along with a list of speakers, local resource groups will also be on hand to answer any questions.

This will be the group's second meeting and this time Brown said the theme is aimed at prescription drug abuse.

Brown said over the years drug use has changed and prescription drug use is becoming more popular among area youth.

"It's the prescription drugs that are really bad right now," he said.

Selkirk RCMP Cst. Paul Human, who will also be giving a presentation during the group's meeting, said it's tough to say just how prevalent prescription drug use is in Selkirk but admits it exists.

"We just don't want people using illegal drugs period," Human said, adding despite Selkirk's size, there are plenty of resources available in town for youth and adults struggling with drug abuse. "You are not alone."

"There's people out there that can help you and we can make sure that you get to those people."

For more information about resources, contact Addictions Foundation Manitoba's Selkirk office by calling 204-785-2354.

Brown said it's been nearly a year since he caught his daughter experimenting with drugs and she's been doing well.

"I think I got her just in time," he said.

Based on his own experience, Brown advises other parents to keep their eyes open, and talk to their children about drugs.

The Selkirk Drug Awareness Group on Facebook now has more than 300 "likes" and is continuing to gain more traction in the community.

Brown said the online group has received

several messages regarding suspected criminal activity, but he advises those people to contact police.

"That's not what this program is about," he said. "It's to make the parents aware of what's going on."

Founders of the Selkirk Drug Awareness Group and other local organizations are hoping to educate the public about prescription drug use among other drug related topics during a public meeting on July 8 at the Selkirk Recreation Complex's banquet hall from 7 p.m. to 9 p.m.

**Manitoba Hydro – your energy expert**

**Air conditioning season is here**

Time to prepare your central or window air conditioning unit for the warmer weather:

- Inspect the air filter; clean or change, if necessary.
- Clear the area around the outside condenser coil.
- Check the outside condenser coil regularly to ensure it's clean and not blocked with leaves, pollen, grass, dirt, etc.
- Ensure that the return and supply registers in your home (if you have central air) are unobstructed or that the window unit is not blocked by furniture or drapery.
- Direct the vents upward to blow the cool air up; it will drift naturally down to floor level.
- Ensure that the drain line from the coil within the home is clear and unobstructed (central air systems).
- Caulk and weather strip around windows and doors to prevent the cool air from leaking out and the heat from leaking in.

- During operation, keep windows closed and draperies drawn on windows facing the sun.
- A central air conditioner with a SEER of 13 will save \$10-\$20/year† compared to an older unit with a SEER rating of 10.
- Book your central air conditioning contractor for an annual cleaning and inspection (this is a good time to check your furnace too!). The service should include cleaning of the outside condenser coil, inside evaporator coil, inside fan assembly, filter replacement, inspecting all other components, and checking that the system is operating correctly.

A properly sized unit will run continuously on a hot, humid day, steadily condensing out moisture on the cooling coils and lowering the relative humidity for a far more comfortable condition. Talk to your contractor about the proper air conditioner size for your home.

**Typical Home Cooling Costs** 2 ton (24,000 Btu/h) unit operating 400 hours/year with non continuous furnace fan

Annual Electricity Cost	6 SEER Prior to 1980	8 SEER Minimum Standard 1980 - 1992	10 SEER Minimum Standard 1992 - 2005	13 SEER Minimum Standard 2006 - present	14.5 SEER Minimum Energy Star Qualified	20 SEER Most Efficient Energy Star Qualified
\$120	\$118	\$89	\$71	\$55	\$49	\$35

# Europe trip shines spotlight on need for support in Ukraine

By Austin Grabish

It was a six-day diplomatic trip across Europe that included dinners with presidents and a meet-and-greet with the Pope, and Selkirk-Interlake MP James Bezan says his cross-Europe tour with Prime Minister Stephen Harper has re-highlighted the dire need for support in Ukraine.

The local MP and parliamentary secretary to the minister of national defence joined Harper for discussions with world leaders on economic trade and security June 6-11 and the current state of Ukraine was a key part of the trip.

Bezan and Harper along with other delegates sat down with Ukrainian President Petro Poroshenko and Prime Minister Arseniy Yatsenyuk.

Bezan said a peace agreement with Russia made last fall isn't being honoured, and Russian troops continue attempts to disrupt the sovereignty of Ukraine.

"Things continue to escalate from a violence perspective," Bezan said during a telephone interview from Ot-

tawa on Monday.

Bezan said while he was in Kiev, the capital of Ukraine, Russian troops continued to disrupt the country's border.

He said officials expect the conflict to continue in the coming months.

"Things are going to heat up over the summer," Bezan said.

There is an international debate whether Ukraine should be given weapons or not.

Canada so far has only provided non-lethal aid to the country, but that could change if NATO decides to arm it.

"Everything's on the table," Bezan said.

One highlight of Bezan's trip was meeting Pope Francis at the Vatican.

"It was really a special moment," he said.

Harper and Bezan were meeting the Pope for a discussion about the state of current religious freedoms around the world.

Bezan said Russia has made anti-semitic moves against the Jewish com-

RECORD PHOTO SUBMITTED

munity in Crimea.

The MP also met with Poland Prime Minister Ewa Kopacz, and President-elect Andrzej Duda.

"It was amazing to be involved at this level of foreign relations," Bezan said.

## Cause of Mercy Street apartment building fire under investigation

Staff

An apartment building currently under construction went up in flames early Tuesday morning.

Selkirk Fire Department crew members were called to the Mercy Street building around 5 a.m. Tuesday.

When they arrived on scene, fire chief Dan Thorsteinson said the build-

ing was already "fully involved" and their crew had to act quickly to get the blaze under control as it neighbours two other buildings.

Thorsteinson said the building is currently under construction and the cause of the fire is still under investigation.

## Winnipeg teen suffers 'unknown injuries' on busy Selkirk street

Staff

Selkirk RCMP shut down a busy corner of the city on Sunday afternoon for several hours.

According to RCMP, local officers were called to the corner of Manitoba Avenue and Eveline Street in Selkirk on Sunday around 7:30 a.m.

Local RCMP attended the area after a report came in regarding a person injured with a knife.

"Investigation revealed a 17-year-

old male from Winnipeg was injured and needed medical attention," RCMP media relations officer Sgt. Bert Paquet said via email. "The male was taken to hospital for treatment of unknown injuries."

Paquet added police are continuing to investigate.

"We are still trying to identify the factors and events leading to this incident, but are not able to confirm any other details at this point."

# Selkirk United Church welcomes LGBT community

By Austin Grabish

With just days before Manitoba's largest Pride parade, the Selkirk United Church officially welcomed members of the LGBTTTQ community to its congregation.

The church is now an official affirming member of the United Church of Canada meaning it welcomes anyone from the LGBTTTQ (lesbian, gay, bisexual, transgender, two-spirit, and queer communities) with open arms.

The move follows a year-long learning process for the congregation.

Minister Deborah Vitt said the Selkirk church has already welcomed everyone, but in order to hang a United Church of Canada rainbow banner it had to go through an official process.

"We've been on this learning curve for a long time," Vitt said.

A committee of six chaired by Donna Clouston studied language in the bible, watched movies, and led other activities as part of their year-long

learning journey.

Clouston said although the church already has LGBTTTQ members it wanted to make it clear everyone is welcome.

"We wanted everybody to know that this was a place where they're safe and welcome," Clouston said.

In 1988, the United Church of Canada announced all persons regardless of sexual orientation were welcome in the church as long as they believed in Jesus.

But the church left a huge loophole in its announcement — leaving individual congregations to decide if they would ultimately accept LGBTTTQ members.

Church administrator Chris Yuzdep-ski said many people were surprised to learn the Selkirk church will perform same-sex marriages and displays a rainbow candle at the front of its chapel.

"I think one of the things that was

most interesting is people said 'you mean we're not already welcoming?'" she said.

The church also decided to recognize its location on Treaty 1 land as part of the affirming process.

"That's vital to this affirming process," Vitt said. "Affirming process is about open doors, welcoming, hospitality, accessibility, acceptance."

The Winnipeg Pride Parade took place on Sunday.

# Memorial garden to honour East Beaches veterans

By Laura Tutlies

The rain drizzled down on about 75 guests as the East Beaches Veterans Memorial Garden was dedicated to honour those from the area who have served as protectors of Canada.

The Honour Guard was piped in by Police Chief Stuart McPherson then students of Walter Whyte School lead

the group in singing "O Canada."

Cadets from the Royal Canadian Legion Selkirk Branch 42 were responsible for "Presentation of the Colors" and added to the pageantry of the affair.

Special guests included 92-year-old Anton Jensen of the Essex and Kent Scottish Regiment, 2nd Infantry and 93-year-old Jack Hardy of the Italian Campaign who attended dressed in the regalia of their army affiliation. The ceremony was timed to coincide with D-Day on June 6.

"This day celebrates the im-

portance of remembering those who fought in all the wars, and those who stand for our safety each day," Master of Ceremonies Gloria Juvonen said.

Her remarks were reiterated by Lac du Bonnet MLA Wayne Ewasko, Selkirk MLA Greg Dewar and Victoria Beach Reeve Brian Hodgson. Greetings were delivered by representatives for Selkirk-Interlake MP James Bezan and R.M. of St. Clements Mayor Debbie Fiebelkorn.

Representatives from local organizations were recognized and the hard working committee who spent nearly a year putting the memorial garden together was asked to stand and be recognized for their excellent work.

A wreath was

laid at the podium, after guests heard the trumpeter play the last post and taps.

Everyone was invited into the Grand Marais Community Central Building afterwards where the memorial garden resides.

The memorial is an area for the general public to meet and enjoy the garden as well to provide a place of reflection for past, present members and veterans of the East Beaches. The peaceful spot is comprised of granite benches and flags representative of Canada's involvement in the war.

RECORD PHOTO BY LAURA TUTLIES

# Program helps give students a head start

## 20 children gear up for kindergarten following ceremony

By Lindsey Enns

Dressed in a shiny white, red, black or yellow cap and gown, a group of local four year olds are now ready to tackle their next challenge — kindergarten.

As they entered a room filled with family and friends at the Selkirk Friendship Centre last Thursday, it was easy to see this year's 20 Onashiwini Aboriginal Head Start Program graduates are excited for the next chapter in their lives.

Angela Swanson, the program's coordinator, said its aim is to help boost children's kindergarten readiness skills through play-based learning.

"Research has shown us that high quality early education programs help children do better in school," Swanson said. "They come into school with more confidence ... more of an educational background and they're

just more prepared."

Selkirk and area children can either enter the program at the age of three or four. Some choose to stay for one year while others complete the full two years before starting kindergarten.

The non-profit community based program provides bus transportation, nutritious snacks and helps teach children how to regulate their emotions, use language and about personal hygiene and nutrition.

Swanson said they also try to expose the children to as much aboriginal culture as possible through various activities and field trips.

"We say our grace before snack using Ojibway words, we smudge everyday at certain times ... we have many people that come in from the community as well," she said.

Registrations are now open for their three- and four-year-old program. Applications can be picked up at the Head Start Program building at 222 Manitoba Ave. or the Selkirk Friendship Centre.

The program runs Monday through Thursday from September to June.

## East Selkirk resident earns bronze at Skills Canada competition

By Lindsey Enns

Competing at Skills Manitoba and Skills Canada this year paid off for one East Selkirk resident.

Luke Blakely, a recent graduate of Red River College's heavy duty equipment mechanic program, took home a bronze medal in heavy equipment service at Skills Canada out of the hundreds of students from the 13 provinces and territories that participated.

"I found the competition quite enjoyable and it was a good break from school," Blakely said. "It was a good experience."

Blakely was chosen by his teachers to compete at Skills Manitoba in April where he received gold for outstanding performance.

All gold medal recipients then went on to Skills Canada, which was held May 28-29 in Saskatoon.

Over the course of the two-day competition, Blakely said he worked on everything from air conditioning units to electronics. He added it was a good opportunity to apply the skills he learned at RRC.

Blakely currently works at a transport company in Winnipeg and plans to continue pursuing his career in heavy duty mechanics.

Skills Canada is the only national, multi-trade and technology competition for students and apprentices in the country, according to their website. The event tests students from across Canada against industry standards in the skilled trades.

The 22nd Skills Canada competition is set to take place in New Brunswick in 2016.

RECORD PHOTO COURTESY OF SKILLS MANITOBA

# Traditional powwow attracts thousands

By Lindsey Enns

Surrounded by friends and family members from across Canada, dancers and drum groups helped kick off day two of the 21st annual Henry Shingoose Traditional Powwow.

A small fire on the powwow grounds of Selkirk's Behavioural Health Foundation helped welcome thousands from across Manitoba, Saskatchewan, Alberta and British Columbia for the two-day event last weekend.

On Sunday, more than 150 dancers and 13 drum groups took part in the grand entry that had the entire crowd on their feet.

"It's nice people are coming in and enjoying themselves," Mike Calder, the health foundation's director of aboriginal services said Sunday afternoon.

For those who have yet to experience a traditional powwow, Calder said

their annual event is the perfect size for a first introduction.

"It's a traditional powwow, it's not a competition, so it's not threatening," he said, adding roughly 3,000 people stopped in throughout the weekend. "People really like it and the grounds are well kept."

Each year during the month of June, the Behavioural Health Foundation grounds play host to the powwow that was originally started in 1994 by Henry Shingoose. Shingoose was a medicine man and health foundation elder who recognized a need for more traditional aboriginal programming to meet the needs of their population.

In 1999, the powwow was renamed to honour Shingoose who later died in November 2001.

"His family comes from across western Canada to show up every year to help out," Calder said.

# Learning centre offering tourism training course

By Austin Grabish

A new program at the Selkirk and District Community Learning Centre is giving workers the knowledge they need to be proper tourism ambassadors for the City of Selkirk and surrounding communities.

The centre launched its new tourism ambassador training program by offering the first of four classes on Tuesday.

The program will teach skills around tourism, customer service, hospitality and computers.

The program's manager Karen Keppler said their goal is to give employees the skills they need to be tourism

ambassadors so when visitors roll through their workplaces they can give directions and proper customer service.

"The whole idea is to have a real welcome feel," Keppler said. "The idea is that everyone in Selkirk pulls together as a team and in the Interlake as well."

Gas jockeys, retail employees and high school students are all being encouraged to sign up for the program.

Keppler said a pilot program that wrapped up last year at the Gaynor Family Regional Library showed the need for the program.

She said more tourists are visiting

Manitoba due to new attractions like the Canadian Museum for Human Rights and it's crucial for business tourists are treated well when they venture outside the perimeter.

"The more tourists that come through, the more money gets left in whatever area they're going through," Keppler said.

The program has four three-hour modules with a cost of \$99 each, but students can pick and choose which classes they want to take or complete the whole program.

A tourism professional will teach the program and students will learn in small classes with a cap of six people, Keppler said.

Program supervisor Jasmine Paluk said it's exciting the course is finally being offered.

"It'll be great to see it actually take off and have people in the classroom," Paluk said.

Selkirk Biz executive director Sheri Skalesky said the course will help businesses enhance the service they give to tourists as well as current customers.

"That will go a long way in providing a great first impression to our community and also inspire those visitors to share with others their great experience that they have here when they're visiting the area," Skalesky said.

The first class on customer service was taught on Tuesday and the plan is to offer that and the other three classes once a month.

Anyone interested in registering can contact the learning centre by calling 204-482-2111.

Karen Keppler (left) and Jasmine Paluk have designed a new tourism ambassador program that they hope will give workers and students the information they need to be good ambassadors of Selkirk and the surrounding areas.

# Rifle club members mark milestone

By Lindsey Enns

Kaila Kotowich is proof that being in a rifle club isn't just for boys.

The 21-year-old has been shooting since she was 13 and recently capped off her first official year as a coach at the Selkirk Junior Rifle Club.

"It's good to see the kids that I have helped with their techniques thrive," the St. Andrews resident said.

Kotowich was among the several junior rifle club coaches and members to be recognized on June 7 as the club wrapped up yet another successful year and celebrated its 60th anniversary.

The local club was the second of its kind to be formed in Manitoba in the fall of 1955. At that time, the club consisted of 12 members and gun handling was emphasized more so than the actual sport of shooting.

Along with having an outdoor range located off Road 80 North in East Selkirk, the club also occupies indoor space in the basement of the Comp so shooters can practice year round.

The club's co-chair Liz Flett said it feels "phenomenal" to be marking this milestone.

"It's great, I didn't think we would survive as long as we did," Flett who has been with the club for more than 30 years said. "We've been going full steam and our numbers have been growing."

Kotowich still remembers joining the junior rifle club as a teenager

RECORD PHOTO BY LINDSEY ENNS

Selkirk Junior Rifle Club members and their families gathered on June 7 to celebrate the club's 60th anniversary. Members and coaches also received a wide range of awards they earned throughout the year.

and being the only girl, but now the club has grown to include 35 members.

"It's really exciting to see how it grew throughout the years," she said. "I'm really happy to see more girls involved with it."

Wanting to safely be a part of her family's annual hunting tradition made Kotowich want to learn how to shoot.

"It just stuck ... it was always my main thing that I always did and always committed to doing," she said adding she's competed at the provincial level and isn't a

stranger to coming in first place. "I've invested a lot of my life and skills into this so I definitely plan on sticking with it."

Although shooting can be fun, Kotowich said it's all about safety.

"Once you're on the range it's serious stuff," she said. "Knowing where your gun's going at all times is the main thing everybody needs to know."

The rifle club has now wrapped up their season with a new one set to start sometime in September.

# Community checks out open house

Manitoba Lung Association coordinator George Koch shows Selkirk's Alyssa Padua an inflated lung during the RM of St Andrews open house last Thursday. The annual open house was held at the St. Andrews Fire Hall which held various displays from several community organizations including the Selkirk and District Community Foundation, St. Andrews Airport and the RCMP were also on hand with a police truck.

# Your Wedding

## The perfect wedding band to tie the knot

Since time immemorial, wedding bands have symbolized the continuity of marriage. Legend has it that a wedding ring is customarily worn on the left ring finger because of the vena amoris, or "vein of love"; it was thought to have a uniquely direct connection to the heart. We know today that all the fingers have similar privileges, but your choice of wedding ring is still as important as ever. After all, you're hoping that it will adorn your ring finger until death do you part. Your tastes, your gender, and especially your budget are the main factors to consider in choosing the right band.

### THE METAL

• Gold. Whether it's yellow, pink, or white, gold is always a safe bet. The price varies according to the number of Karats (abbreviated by K or kt).

• Platinum. This metal is attractive and very durable, but more expensive.

• Titanium. It's less expensive and doesn't scratch or fade, but it isn't as shiny as gold or platinum.

• Silver. This is typically the most affordable option, but pure silver oxidizes over time.

### DISCRETION VS. EXTRAVAGANCE

You might enjoy having a ring that's striated, bejeweled, or engraved with a personal message from your beloved. There's nothing to stop you from being creative and commissioning tailor-made wedding bands from your jeweller. Men typically prefer to opt for discretion and comfort; jewelry without gemstones is less fragile and thus more popular with them. And even though rings are available in an endless range of possibilities, most

women still choose diamonds, which are, of course, forever.

Wedding superstition holds that you shouldn't try on your wedding bands before the big day, and that the groom-to-be should keep the rings until the wedding. But the only really important rule is that this day be filled with happiness.

Enter to WIN your very own BBQ dinner for up to 20 people!

Visit [www.dannyswholehog.com](http://www.dannyswholehog.com) and enter

OR Like us on Facebook and you'll automatically be entered.

# Your Wedding

## The most beautiful bride from head to toe

The excitement, joy, and anticipation you'll feel on the big day will make you radiant with beauty. After all, there's nothing like a good dose of happiness to put a blush on the cheeks, a sparkle in the eyes, and a beautiful smile on every bride's face. But to truly glow from head to toe, perhaps you should think about consulting some beauty professionals.

### 1. THE HAIR STYLIST

A stunning bride needs a fabulous hairstyle. Whichever style appeals to you, you'll want to entrust your hair to the expert hands of a real hair salon professional. Remember to make two appointments: one to try different hair-styles and another for the big day.

### 2. THE ESTHETICIAN

Manicure, pedicure, hair removal, facial, eyelash extensions and massage: a wedding is the perfect excuse to pamper your body. Not to mention that stray body hairs, dry skin and damaged nails are not on the guest list! Don't forget to make two separate appointments for your makeup as well.

### 3. THE DENTIST

Because laughter is the right of every newly married couple, treat yourself to a teeth whitening treatment for a sparkling smile.

### A BEAUTIFUL AND ORGANIZED BRIDE

- Make your appointments as soon as possible.
- Carry a photo of your dress and accessories to all your appointments, along with inspiring images from magazines.
- Find out the best time to pamper yourself with the various treatments. This way

you won't have any regrets, such as hair colouring done too early (hello, roots!) or a microdermabrasion done too close to your big day.

Celebrating 20 years  
of being *Here for Good*

## Greetings from the Chair

In 1995 some visionary leaders decided that together we should plan for the future health and welfare of our community.

Inspired by an offer from the Thomas Sill Foundation to seed a local foundation, our predecessors found matching donations in the community and launched the Selkirk and District Community Foundation, 20 years ago.

The concept was brilliant and simple. Donations collected under the SDCF banner would be carefully invested and only the interest off the donations would be given to charitable organizations doing good work in the City of Selkirk and the Rural Municipalities of St. Clements and St. Andrews. Under this concept all your donations are invested and never spent, rather they work as a resource forever.

Fast forward 20 years and we have lots of good news to share.

One of our first donations was \$40 and since then hundreds of donors have grown the SDCF assets to \$8.4 million. From the interest earned we've gone from funding five organizations in 1998 to 32 organizations in 2015. In 20 years, more than \$1.4 million has gone back into the community for needs as diverse as childcare and senior centres; hockey rinks and heritage sites; shelter for women, children and the homeless;

The 2014-2015 SDCF Board of Directors and staff. Left to right seated, Michele Polinuk, Kelly Lewis (Chair), Bev Clegg (Executive Director). Standing Doug Chorney, Shirley Muir, Heather Hogg, Stan Halbesma, Carole Wiedemann (Office Assistant), Mark Webster, Gord Henrikson, Bill Bodman

scholarships and bursaries for our future leaders; and projects as worthy as cleaning up Lake Winnipeg.

Join us in celebrating the SDCF's 20th birthday by enjoying the many Here for Good stories in this annual report. You'll see how everything is adding up nicely.

Please note that this annual report newspaper version is condensed. Visit our website [www.sdcf.ca](http://www.sdcf.ca) or stop by the Foundation office for the full copy.

Thanks to you, we're Here for Good.

Kelly Lewis, SDCF Chair

## Endowment Funds 101

The success of the SDCF is based on a simple concept. We never spend your gift, but carefully invest it. As the income builds up we only distribute interest created by the fund. So the donation you endowed with us is *Here for Good*, working hard and giving back year after year, no matter how big or how small your donation.

As the graphic below shows your endowment gift grows and grows over time, while still giving.

*Note: These figures are based on 6.1 per cent interest, which has been the SDCF average return for the past 10 years.*

## Remembering founding members

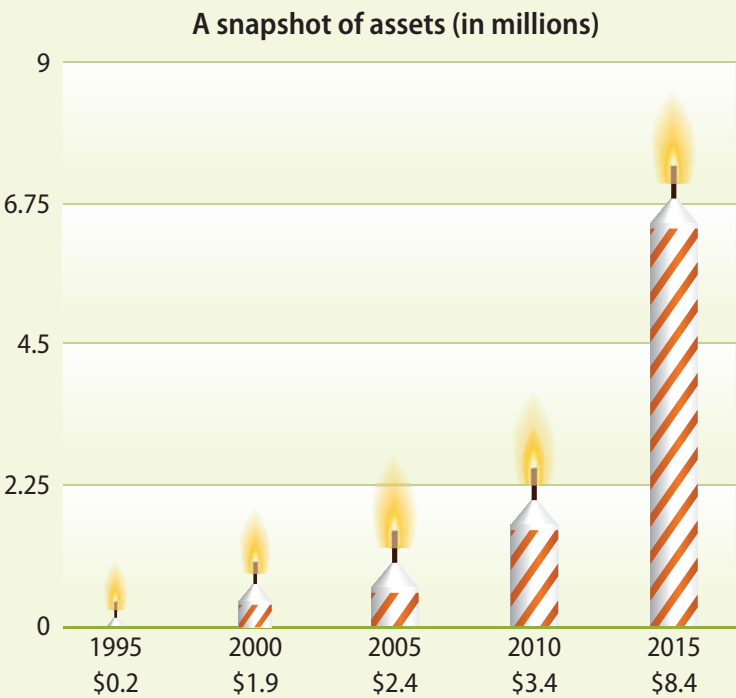

SDCF First Board of Directors (left to right) front: Elmer Kuber, Lewis Wasel, Bill Findlater. Back: Ed Sitarz, Jean Oliver, Dawn MacFarlane, Charles Barnard, Dr. Ike Hussain

When Dr. Ike Hussain died in 2012 Selkirk resident Jean Oliver was quick to donate to the SDCF in his memory. For her and so many in the community Dr. Hussain represented the drive and determination that helped create our foundation. Jean remembers how for two years in the mid 1990s Dr. Hussain and Selkirk Hospital CEO Elmer Kuber hosted 20 people in the hospital boardroom as they planned for a future foundation.

The monthly meetings would have to be at 7 a.m. so Dr. Hussain could shepherd the project before heading into surgery. "He was determined we would see this come to fruition. He was a founder and early major donor. The rest of us just followed him," says Jean, the first vice-chair of the SDCF board of directors. When the Selkirk Hospital was to become integrated into the Regional Health Authority, Dr. Hussain wanted the bequest and donation monies of the hospital to remain in our community and thought a community foundation was the best place for them. These were some of the very first funds at the SDCF and exceeded \$520,000 by 1998.

New funds created every year

Our very first fund – the Community Fund – is still going strong 20 years later with \$1.5 million in the fund. Every year smart and caring members of our community create new funds in memory of loved ones; in appreciation for a cause they care deeply about or to thank a community where they worked, lived or raised their family. In our 20th year we'll see six new funds come on board.

Donating made easy at the City of Selkirk

The smart and caring staff at the City of Selkirk is the first team to create an employer “cheque off” plan for the SDCF. Every employee now has an option to have a set amount automatically deducted from their pay cheques and donated to any one of several different SDCF funds or a charity of their choice. “City employees care about their community and so many of them dedicate their lives to creating a good quality of life for others. This is just one more way they can show they care,” says CAO Duane Nicol.

City of Selkirk staff (left to right) Duane Nicol, Dan McDermid, Alison Sinclair, Amber Chapil, Brent Scherza and Scotty Parisian.

Inspiring young donors

Katherine Clegg and Kit Muir share a lot in common with the SDCF. They celebrate their 20th birthdays this year and recently started donating to the SDCF. Katherine already had a deep relationship with the foundation as a member of the Youth in Philanthropy program at the Lord Selkirk Regional Comprehensive Secondary School where the YIPers choose local projects to support with funding from the Foundation. Kit, trained in tourism management says her family is now thinking about how to set up a SDCF fund to support cultural trips and travel for young people.

Katherine Clegg (left) and Kit Muir made their first donations this year.

Young dad remembered

After Curtis Niemi had a heart attack and drowned while taking his daughter swimming in June 2012, his family and friends rallied to make sure his memory would never be forgotten. For the last three years they've been hosting fundraisers to remember Curtis. With some of the early donations they've seeded a start up fund at the SDCF. When the fund reaches \$10,000 it will be officially launched as the Curtis Niemi Legacy Fund and will disperse grants to some of Curtis' favourite passions – hockey, soccer, literacy, health and children.

Curtis Edwin Niemi 1968 - 2012

## Thank You Donors!

The generous donors listed below contributed to the SDCF between April 1, 2014 – March 31, 2015. These donors made gifts in memory of loved ones, to honour special birthdays, retirements and anniversaries and gave so thoughtfully to the various funds that mean so much to them. For a full listing of these specific donations and where they were designated to, please visit [www.sdcf.ca](http://www.sdcf.ca) or pick-up a copy at the Foundation office.

Ernest & Helga Kromrei Bursary	\$700
Elizabeth Nesar Bursary	\$600
Selkirk & District Community Foundation Bursary	\$600
<b>Total Grants Awarded</b>	<b>\$165,632</b>

## New gym breathes new life

While the staff and 105 kids at Walter Whyte School in Grand Marais were pretty excited to get the flooring of their 1960s school gym replaced, there was one problem. When the job was over there was no money left over to put in new inserts in the floor for volleyball and badminton poles or to buy new nets. Fortunately the Western Canada Summer Games Legacy Fund at the SDCF was created for projects just like that. The fund was used to issue a grant of \$1,200 to help finish off the renovations.

Students (left to right) Ty Jonker, Randi Thomas, Emma Kwiatek and Jacqueline Riel in their new gym.

The tykes at Onashiwini Aboriginal Head Start Program are arriving at their pre-school safer this year with a \$6,151 SDCF grant to buy a new bus, improve the parking lot and building entrance to their program.

# Selkirk & District Community Foundation 20<sup>th</sup> Birthday Challenge

## 20 years ago

The Thomas Sill Foundation helped seed The Selkirk & District Community Foundation with an incentive grant 20 years ago. In 1995 TSF promised to donate \$100,000 to a Community Foundation if the area residents were able to raise \$200,000. And we did it!

## Today

As we celebrate our 20th birthday the Thomas Sill Foundation is back again with a fabulous birthday present. Starting this year it will donate \$1 for every \$2 we raise over the next 18 months. Our goal is to raise \$20,000 and the TSF will help us turn it into \$30,000!

## Take a Challenge

You can help us get there any way you want. Here are three ideas.

### \$20

**Take the \$20 Personal Challenge** and donate \$20 a month for a friend's birthday, an anniversary, in memory of someone you miss or just because you care.

### \$200

**Create a Staff Cheque-Off Program** at your workplace. Get the staff together and plan to have a donation automatically deducted from every paycheque with a goal to raise \$200 (or more!). Ask us how the City of Selkirk employees did it.

### \$2,000

**Seed Your Own Fund** with a \$2,000 donation this year with the long-term goal to repeat that investment for five years until you have enough to launch your own fund in your name for a cause you care about. Ask us how local families, businesses and faith groups have done it already.

To learn more about how we can ensure your donations are *Here for Good* contact **SDCF Executive Director Bev Clegg** directly at:

## Canada Day celebrations get federal funding boost

### Staff

Canada will have a very big birthday party next month.

The country will celebrate its 148th birthday on July 1, and the federal government is providing thousands in funding for local celebrations to make the day a hit.

Nineteen organizations throughout the Interlake will receive a combined total of \$43,967.

Selkirk-Interlake MP James Bezan made the announcement in a press release on Monday.

"Our Government is proud to support local organizations that allow our communities to gather and celebrate activities throughout the Celebrate Canada week. I encourage everyone to come out and participate in these festivities and show your Canadian pride!"

# FIFA fever spills into Selkirk hotels

RECORD PHOTO BY AUSTIN GRABISH

Canalta Hotel manager Andrea Hutlet and employee Brenna Brink were kept busy looking after guests who were staying in Selkirk for the FIFA Women's World Cup taking place at Investors Group Field in Winnipeg. The local hotel and many others across the province were sold out for the games.

By Austin Grabish

They may have been in Winnipeg for the FIFA Women's World Cup, but hundreds of soccer fans in need of a place to stay spilled into Selkirk filling up the city's two biggest hotels.

"There was a lot that couldn't find anywhere in Winnipeg," Canalta Hotel manager Andrea Hutlet said.

## > FIFA FEVER, FROM PG. 25

The new 84-room Canalta Hotel was booked solid several days last week and the Selkirk Inn and Conference Centre was also full.

Reports say hotels as far away as Brandon were full with attendees from the games, and Hutlet said colleagues at other hotels in Winnipeg told her their hotels were booked

solid.

She said guests from as far away as Los Angeles, Florida, and Georgia filled the Canalta in Selkirk.

USA played against Australia and Sweden at the Investors Group Field in Winnipeg last week, and Hutlet said the American guests were relieved to get a room in Selkirk.

"Everyone was super excited and they were glad they at least had somewhere to stay," she said.

Selkirk Inn and Conference Centre general manager Kurt Kelly said guests were happy to land a room in Selkirk, "especially since it's so close."

Kelly said dozens of their rooms were full with people associated with the soccer tournament.

"We're definitely getting some spin

off," he said.

Hutlet added the guests left filled with joy after the U.S. team defeated Australia with a 3-1 win during the Americans' opener last Monday.

"It was great having them," she said.

The last FIFA game in Winnipeg was on Tuesday. The tournament continues in other parts of Canada until July 5.

## United Church celebrates anniversary with cupcakes

RECORD PHOTOS BY AUSTIN GRABISH

TOP: A passerby (right) contemplates which cupcake she should take from pastor Deborah Vitt outside Selkirk United Church on McLean Avenue. The local church celebrated the United Church's of Canada 90th anniversary last Wednesday.

BOTTOM: Together with members from the Little Britain United Church, worshippers handed out cupcakes and lemonade to passerby outside the Selkirk church's McLean Avenue location.

## Clarification

In the June 11th edition of the Selkirk Record, the photo cutline on page 11 should have read St. Andrews councillor Joy Sul. Sul was incorrectly identified in the photo for a story regarding the opening of the St. Andrews Child Care Centre.

## Walleye anglers join forces with Solider On for day of fishing

RECORD PHOTO COURTESY OF GARRY FRANKEL

Walleye Anglers Association of Manitoba joined forces with the Canadian Armed Forces Solider On program for a full day of fishing on the Red River on June 7.

### Staff

The Walleye Anglers Association of Manitoba teamed up with the Canadian Armed Forces Solider On program for a fun-filled day of fishing on the Red River earlier this month.

Soldier On was founded in 2006 to empower retired and serving members of the Canadian Forces with an illness or injury to accept their new normal by adopting an active lifestyle through participation in physical, recreational or sporting activities, according to their website.

Many ill and injured members credit Solider On with helping them to overcome their challenges and open doors to other life opportunities.

On June 7, Walleye Anglers Association of Manitoba members spent the day fishing with Soldier On members.

"We enjoyed a BBQ lunch afterwards to celebrate and get to know each other better," Craig Ferris of the Walleye Anglers Association of Manitoba said.

Various sponsors including the Province of Manitoba and City of Selkirk also helped make the event happen.

## Fredborg phenomenal at Glencoe Invitational

By Brian Bowman

Competing at the Glencoe Invitational in Calgary earlier this month, Selkirk's Travis Fredborg had a chance to play against the best, young golfers in Canada.

And after finishing in a three-way tie for third at the elite amateur tournament, it's fair to say Fredborg is certainly one of the best in Canada.

Fredborg fired rounds of 74, 72 and 75 to finish at five-over 221.

Fredborg played his best golf of the week on the final day despite posting his highest score of the three days. The final two rounds were plagued by strong winds.

"I controlled my way around the golf course really well," Fredborg said last Thursday evening. "I didn't play my best golf, believe it or not. I didn't hit it great, I didn't putt great, but I missed in the right spots and scored pretty well."

Fredborg was just four strokes back of the winner, Conner Hayden, an American, and one behind fellow Canadian Quinn Vilneff.

"I played pretty well out there," said Fredborg, who just turned 19. "It's the second biggest amateur tournament in Canada, behind the Canadian Amateur. All of the top players that play in the Canadian Amateur and contend play (at Glencoe Invitational)."

Fredborg said the Glencoe course was a real difficult one to play.

"It was ridiculous how tough the course was," he stressed. "It was long, firm and fast....but it was the best course I have ever played in my life,

by far."

All of the players were invited to play at the Glencoe Invitational. They had to be among the top 50 in Canada and also forward a golfing resume to be accepted.

After finishing third in Calgary, Fredborg has plenty of confidence heading into the next few months of the summer season. As good as he was before his 18th birthday, he's an even better player now.

"(Finishing third) really boosted my confidence and it let me know that I can play with the best players in Canada," said Fredborg. "My game is probably the same skill-wise when I was 16 or 17 but my mental game has gotten a lot better and I've matured a lot over the past three years."

"I don't make the silly mistakes now and get mad at myself."

In the next couple of weeks, Fredborg will be preparing for the Player's Cup, a PGA Tour Canada event on his home course at Pine Ridge from July 6-12. He will then compete in the Manitoba and Canadian Amateur events.

After the summer ends, Fredborg will be taking his golfing talents west as he has committed to be a student-athlete at the University of Nevada, Reno.

"It's a very good Division I school," Fredborg explained. "I cannot wait to go there. It's going to be a great experience and we have a really good coach and a really good team, so we can do some big things."

RECORD FILE PHOTO BY JO-ANNE PROCTER

Selkirk's Travis Fredborg finished in a three-way tie for third at the Glencoe Invitational in Calgary earlier this month.

## Wales finishes seventh at City & District Championship

Staff

Selkirk Golf & Country Club's Shannon Wales placed seventh at the Women's City & District Championship last weekend in Teulon.

Wales shot rounds of 85 and 79 for an 18-over 164.

Glendale's Jenna Roadley won the 36-hole event with a 1-under 145, which included rounds of 74 and 71. That was six strokes better than Southwood's Jill Hardy-Gingras (80-71-151) and 11 in front of St. Charles' Dana Todd (78-78-156).

## Tillett named to Team Manitoba U18 football roster

By Brian Bowman

The Interlake Thunder Midget team had one player - Michael Tillett - selected to Team Manitoba's U18 final roster.

Tillett, a very talented defensive lineman from Teulon, was one of six Thunder players trying out for the Manitoba team. Linebacker Brad Findlay also went deep in the try-out process, according to Thunder Midget head coach Kris Johnston.

Johnston was proud to see one of his players make Team Manitoba.

"It's tremendous for Michael," said Johnston Tuesday afternoon. "Obviously, he's just going to continue to get better. He's getting great coaching with the provincial team and he's going to have the opportunity to play against some of the best players in all of Canada."

Competing at a provincial level will definitely help the 6-foot-3 Tillett in the near future.

"Having that experience is going to do nothing but make him better," Johnston said. "Playing all of that football in the summer is going to make him better. He's going to come back a more intelligent football player and he's going to come back a more technically sound football player."

"The whole game itself is going to slow right down for him and he'll be that much better."

Tillett, 17, has a tremendous future in football. He definitely has the potential to play at either the junior or university level.

"He was one of the outstanding players in our spring scrimmages," Johnston noted. "He's a very intelligent and team oriented young man. He's a huge contributor to our program. The sky, is honestly, the limit for him. He's got size that you just can't teach and he has the willingness to learn."

# Kubic attends POE goalie camp in Etobicoke

By Brian Bowman

Most 17 year old kids from Manitoba probably spent last weekend at the beach or playing outdoor sports.

Ryan Kubic spent his weekend at a hockey rink in Etobicoke, Ont.

The outstanding goaltender from St. Andrews was one of 34 athletes that attended the 10th-annual Program of Excellence goaltending camp at Canlan Ice Sports.

"It was really good," said Kubic, 17, Monday afternoon. "I enjoyed it a lot... it was really good working with those guys."

Nine goaltenders in the under-20 age category (candidates for Canada's national junior team), seven in the under-18 category (candidates for Canada's national men's Under-18 team) and 18 goaltenders in the under-17 category (candidates for the World Under-17 Hockey Challenge) had a chance to work with a number of top-level instructors during the three-day camp.

Former NHL goalies Fred Braithwaite, Dwayne Roloson and Corey Hirsch worked with the young goalies.

"The main reason that they do this all about development and getting the top goalies from across Canada together and get them the best training," said Kubic, whose MJHL rights are held by the Selkirk Steelers. "They get to see where we're at - it's a bit of an evaluation."

Kubic spent last season with the Western Hockey League's Vancouver Giants and the North American Hockey League's Brookings Blizzard from South Dakota. He was with

the Giants from the beginning of the season until November before being reassigned.

Kubic's goal for this upcoming season is to play in Vancouver but he enjoyed his time in Brookings.

"It was a great experience down

"I PLAYED REALLY WELL, BUT AS A TEAM, WE DIDN'T CRACK A SPOT IN THE PLAYOFFS."

PHOTO COURTESY OF THE VANCOUVER GIANTS

St. Andrews' Ryan Kubic was one of 34 athletes that attended the 10th-annual Program of Excellence goaltending camp in southern Ontario last weekend.

there for my first year of junior," said Kubic, who posted a 10-15 record with a 2.74 goals-against average and a .907 save percentage with the Blizzard.

"I ended up playing (32) games since December, so I guess you could say I was the starting guy there. I played really well, but as a team, we didn't crack a spot in the playoffs."

Kubic matured a lot in his first full season as a junior hockey player.

"Of all of the years that I've been playing, last year was definitely my biggest year for development," he stressed. "Living on my own and being on the road so much and dealing with different situations, it definitely helped me a lot."

# Jackson getting her kicks with soccer

By Brian Bowman

Veronica Jackson has had many great experiences as a player so far in her young soccer career.

But this past week, she had a once-in-a-lifetime experience.

Jackson, a St. Andrews resident, was a flag bearer this past Monday for FIFA World Cup games between China and New Zealand and Thailand and Germany. The next day, she was a flag bearer for the Japan versus Ecuador matchup.

Last Thursday, Jackson had a taste of international competition as a player when her FC Northwest team battled Australia - losing 3-2 - at Lansdowne Park in north Winnipeg.

"It was good, they were aggressive," said Jackson, a talented centre-back. "They were here to watch the World Cup and they called us and asked us for an exhibition game."

Jackson's soccer resume is an impressive one. She has been on Team Manitoba the past three seasons and is currently on Manitoba's Western Canada Games team that will be competing in Fort McMurray this August.

That team is loaded with talent and may have a good shot at winning the

whole tournament.

Jackson also plays club soccer for FC Northwest under the direction of Laurie McIvor, who is training the players for the MSA Cup this summer. Jackson's FC Northwest team has previously placed sixth at club nationals.

Jackson played an age bracket higher on the MSA U18 team last year, advancing to the nationals in White Rock B.C..

Jackson also suits up for a Manitoba Blizzard squad, which is a showcase team that has traveled to San Diego, Las Vegas, and Shattuck-St. Mary's in southern Minnesota. The idea behind the extensive travel is to showcase the talents of the Blizzard players for U.S. college scouts.

Jackson, who is already 5-foot-10, attends high school at Glenlawn Collegiate and is part of the National Development Centre and trains at the University of Manitoba Soccer Complex five days a week.

Her Grade 11 year starting this fall will be her third consecutive year as part of the elite program. Jackson is considered a great leader on the field and a player that isn't afraid of aggressive play.

RECORD PHOTO SUBMITTED

Veronica Jackson of St. Andrews and her FC Northwest team battled Australia - losing 3-2 - at Lansdowne Park in north Winnipeg.

"(The program is) really good," Jackson said, noting her schedule during the school year is an extremely busy one. "I like the fact that you get to train with the best people and you have really good coaches."

Jackson said the time and commit-

ment that she has put into the program has been worthwhile. She hopes to play university soccer one day.

"It's definitely worth it," she said without hesitation. "It's made me improve my skills a lot."

AT SELKIRK

### Salmon Pasta Salad With Mint and Lemon Vinaigrette

#### Preparation

Cook pasta according to package directions; drain. Rinse with cold water; drain again. In medium bowl combine drained pasta, salmon, cucumber, onion and mint.

For vinaigrette, in small bowl combine lemon juice, oil, honey, zest, if desired, salt and pepper; whisk to blend. Pour over pasta mixture; toss gently to coat. Add tomatoes; toss gently. Serve immediately or cover and refrigerate up to 24 hours. Serve on top of lettuce with fresh lemon, if desired.

Preparation Time: 30 minutes

Chill Time: up to 24 hours

Makes 4 (2 cup) servings

Note: Cooked smoked salmon or smoked turkey breast may be substituted for cooked salmon.

#### Ingredients

4 T-Bone Steaks  
2 tablespoons cooking oil  
Dad's Steak Rub (see recipe right)

#### Preparation

Thaw steaks overnight in refrigerator or quick thaw by placing sealed steaks in sink with water for 30 minutes to 1 hour.

Prepare rub recipe.

Heat grill on medium. Blot dry steaks with clean paper towel, then brush each side with cooking oil.

Generously season both sides of steaks with rub.

Grill steaks to desired doneness. For medium rare steak, grill for about 8 minutes on first side and 6-7 minutes on second side.

Preparation Time: 15 minutes

Cook Time: 15 minutes

Total Time: 30 minutes

Serves 4

### T-Bone Steaks with Dad's Steak Rub

### Cranberry Maple Lemon Rice Pudding

#### Directions

In a heavy saucepan, bring rice, milk and syrup to a simmer over medium heat, stirring often.

Reduce heat to low, cover and simmer, stirring occasionally, for 20 minutes. Stir in cranberries and half of the zest; cover and simmer for 5 to 10 minutes longer or until rice is very soft and pudding is slightly thickened (it will thicken considerably upon cooling). Serve hot, warm or cold, stirring in more milk as necessary to thin. Sprinkle each serving with cinnamon and remaining zest.

Prep time: 5 min | Cook time: 35 min

Makes: 6 servings

#### Ingredients

1/2 cup (125 mL) Arborio (short-grain Italian) rice  
3 cups (750 mL) 1% milk (approx.)  
2 1/2 tbsp (33 mL) pure maple syrup  
1/4 cup (50 mL) dried cranberries, cherries or blueberries, (or a mixture, chopped if large)  
Grated zest of 1 lemon or small orange  
Ground cinnamon

### Dad's Steak Rub

4 tablespoons coarse sea salt or kosher salt

1 tablespoon coarse ground black pepper

1 tablespoon coarse dehydrated onion flakes

1/2 tablespoon coarse dehydrated garlic

1/2 tablespoon crushed red pepper

1 teaspoon whole dill seed

1 teaspoon dried whole thyme

1 teaspoon whole cumin (toasted and crushed coarse)

1 teaspoon whole coriander (toasted and crushed coarse)

#### Preparation

Combine all and mix well. Store in air tight container or zip lock bag for up to 6 months.

#### Note:

To prepare cumin and coriander, toast by placing in dry pan over medium heat, shaking pan about 2-3 minutes until seasonings start to brown. Crush using bottom of pan on cutting board or with mortar and pestle.

Yield: 1/2 cup

## ANNOUNCEMENTS

### CARD OF THANKS

We'd like to thank everyone who attended our social on May 30th, 2015. We'd also like to thank everyone who donated silent auction prizes and for everyone's support. We're sorry we didn't get to visit with everyone it was a busy night for us. We hope you all had as much fun as we did. We thank you all. Sincerely,

-The future Mr. and Mrs. Wallis  
Calvin And Sasha

## ANNOUNCEMENTS

### CARD OF THANKS

Dear friends – Thank you for all your support, kindnesses, concern and love you've given to the Hotchkiss family at this sad and difficult time. You all helped us so much during Ted's funeral and lunch by being there. Sorry if we didn't get to speak to you. Please feel free to phone and share your memories of Ted. The beautiful cards, flowers, food, baking, calls and visits are so appreciated. God Bless.

-Lyn and family

## ANNOUNCEMENTS

### IN MEMORIAM

Larry Mutchter

October 31, 1944 – April 3, 2014

Happy Father's Day in Heaven  
God saw you getting tired,  
And a cure was not to be;  
So he put his arms around you,  
And whispered "Come to Me".  
A golden heart stopped beating,  
Hard working hands now rest;  
God broke our hearts to prove to us,  
He only takes the best.  
We miss you Dad.

-Love Brian, Annie and Amanda, Bonnie and Wally,  
Sandra, Stephan and Evelyn

## OBITUARY

### Orest Gulewich

It is with great sadness we announce the passing of Orest (Orrie) on June 13, 2015 at the Selkirk and District General Hospital.

Orrie leaves behind his wife of 35 years, Mae; his three children Angela, Jackie and John; his sister Olive and brother Ed (Wendy) and their families.

Cremation has taken place and at Orrie's request there will be no service.

Flowers are gratefully declined. If anyone wishes, donations can be made to the Heart and Stroke or the Diabetes Foundations.

Mae would like to thank the doctors and staff at Gimli Hospital, and Selkirk Hospital, as well as the paramedics for the care given to Orest.

Gilbart Funeral Home, Selkirk in care of arrangements.  
[www.gilbartfuneralhome.com](http://www.gilbartfuneralhome.com)

## OBITUARY

### Paul Inge Sorlie

August 7, 1946 to June 3, 2015

Our collective hearts are broken as we announce the passing of Dr. Paul Inge Sorlie in Selkirk, Manitoba at the age of 68 years. He is survived by his wife, Carol Girling, daughters Annie Sorlie (Trevor Didychuk), Inger Kobro (Atle) and Marie Sorlie (Ryan Clyde), sons David Little (Nicola), Paul Little (Dianne) and daughter Mary Beaudry (Hector), our precious grandchildren, Anders, Joshua, Jonah, Haily, Adam, Erika and Regen, his sister Mette Stier (Knut Marud), his nephews, and his in-laws. He is predeceased by his parents.

Born on August 7, 1946 in Tonsberg Norway to Solvig Steir and Gunnar Sorlie he grew up Norway, coming to Canada in the fall of 1969 to attend Canadian Memorial Chiropractic College. After graduation in 1973 he practiced his beloved and honourable profession in Dauphin for 32 years. He fiercely defended his profession every chance he got and joyously celebrated his milestone anniversaries with colleagues.

He led a rich and full life playing basketball, being a Big Brother, socializing, fishing, boisterously supporting the Dauphin Kings, attending Trinity Lutheran Church and more fishing. He and Carol loved travel and explored many locations in Canada, the US and, of course, Norway.

After moving to The Pas in 2006 he found a new interest in teaching literacy at the Friendship Centre. His students, as he called them, made as much difference to him as he did to them.

He was a big man with an even bigger presence. Loud, opinionated, intelligent, funny, caring, much-loved and respected, he leaves each of us with precious memories and funny sayings that only he could have made.

A funeral service was held Thursday June 11th 2015 at the Trinity Lutheran Church in Dauphin, Manitoba. Officiating the service was Reverend Howard Burnie.

In lieu of flowers donations can be made to the Heart and Stroke Foundation 6 Donald Street, Winnipeg, Manitoba R3L 0K6

Rest peacefully, our love, my love

(204) 638-4110

## OBITUARY

### James Robert Downey

1937- 2015

Peacefully at home and surrounded by his family, on Tuesday June 9, 2015, Jim passed away after a short battle with cancer.

He is survived by his wife Pat; daughters Kim (Dennis) Vick, Tanis (nee May) Rutherford; son Chris Downey; grandchildren Nathan (Christy) Vick, Chance Vick, Monica (Stephen) (nee May) Bankston, Melanie (Peter) (nee May) Puetz, Laura Rutherford and Hannah Downey; six great-grandchildren; surviving siblings Lenora Sykes, Vivian (Gordon) Barwick, Shirley (Ron) Turner, Morris (Mary Jane), Larry (Pat), Ernie, Barbara (Terry) Davies and Gary; sisters-in-law Audrey and Donna.

Jim was predeceased by his parents Lawrence Richard and Ella Lenora Downey and brothers Marvin, Leslie and Lyle.

He was always up for a challenge from playing in bands with his family and friends, to buying a float plane before he got his pilots license. His professional career demonstrated this also, building roads for Manitoba Highways, developing land in St. Andrews, St. Clements and Fort Francis, owning a float plane base on the Red River and designing and building Mars Sandhills Golf Course with partners Tony and Vivian Dureski.

Jim had a wonderful sense of humor, which leaves his family and friends with many happy memories. He will be sadly missed and remain in our hearts forever.

In keeping with his wishes cremation will take place and a memorial gathering and celebration of his life will be held in the fall.

In lieu of flowers donations can be made to CancerCare Manitoba; 675 McDermot Ave. Winnipeg, MB, R3E 0V9 or a favorite charity.

Gilbart Funeral Home, Selkirk in care of arrangements.
